MEMO

Peter,

There is an error in the attached memo.

The error is as follows:

“How does our spend compare with other agencies?”

The Ministry will spend approximately $3600 per square metre for the two Wellington Buildings. This compares with other government and corporates who spent or will spend between $3394-$4000 per square metre.”

This should state “per person” not “per square metre”.

This error does not change the decision you have made. The purpose of this memo was to provide you assurance that our costs were in line with public service expectations. As you were given a comparative figure demonstrating this, your decision was sound

I apologise for the error.

Regards,

Zoe Griffiths
Deputy Secretary
People, Capability and Resources
