The opening of The Rise UP Academy (Te RUA) has been an exciting and challenging journey over the last three months to establish a learning community where students and their whanau feel safe and are thriving in their learning so soon.

We have had many successes to celebrate in such a short time of operating our school. Our objective to see Fully engaged whanau meant that our focus and time spent engaging our community stakeholders has proven to be time well spent. As we navigate pathways for future schools we cannot emphasise enough the return on investment for students learning as our community networks begin to collaborate effectively.

As a result of effective community engagement The Rise UP Trust has seen unprecedented levels of whanau engagement in their children's learning. To achieve 100% parent attendance at our first 3-way conference is a milestone which we believe demonstrates that these South Auckland parents are ready raise the bar for their children's learning journeys.

The Rise UP Academy staff have worked diligently to develop the school Curriculum plan for 2014 with feedback gained from the 2013 community fono. Embracing a new vision- Sharp Minds, Strong Bodies and Good hearts with new policies has tested our organisations capacity to Lead Change effectively. Once again we can celebrate the progress achieved under the time constraints. The learnings gained and relationships formed amongst staff and the wider community add to the social capital Rise UP have in our community. Time has not been on our side and staff pastoral care will be a focus for the remainder of 2014.

Our objective to develop Excellent teachers has begun with an All Black No.8 model of coaching and mentoring between whanau educators and classroom teachers. It is a symbiotic relationship that nourishes reflective practise, quality learning programmes and high expectations.

Our objective to provide an Effective governance model has meant we have had to work quickly to develop a new Performance story framework (Evaluation plan). Te RUA board of trustees have a revised Strategic plan for 2014-2018 and have set an annual plan with milestones to ensure our inaugural year of The Rise UP Academy builds a strong foundation for extraordinary learning outcomes for Pasifika Maori learners in South Auckland. The focus for the next quarter will be on financial sustainability and planning for a steady roll increase including recapitation of our year 7 students for 2015 and Property plans.
