**Priorities**

**Strengthening Boards of Trustees and parental involvement**
- $14.5 million to NZ School Trustees Association for improved support

**Public Metrics on Education Performance**
- Creating a data rich environment for parents and teachers of 0-18 year olds for the first time

**Better Public Service targets: ECE**
- 98% of new entrants participated in quality early learning in 2016 – up to 95.7% in 2012

**National Standards and Ngā Whanaketanga Rumaki Māori target**
- 85% of primary students at or above National Standards and Ngā Whanaketanga Rumaki Māori in 2017
- Pleasing increases in maths, reading and writing in 2012

**Better Public Service targets: NCEA**
- 85% of 18 year olds with NCEA2 or equivalent in 2017 – up to 77.2% in 2012

**Strengthening the Profession and its status**
- Transforming the NZ Teachers Council into a strong 21st century professional body for educators, focused on professional development and discourse

**Greater Christchurch Renewal**
- Investing $1 billion over ten years, based on thorough consultation, on renewal of Christchurch schools

**Ministerial Cross Sector Forum on Raising Achievement**
- Key sector leaders building a shared approach on how to lift achievement for all learners

**21st Century Learning and Digital Literacy**
- Over $700 million connecting all schools to fast internet and a managed Network for Learning

**Where to From Here**
- Working to provide better information to parents on children’s progress
- Developing better data for regional and business leaders to support pathways to employment
- Opening Partnership Schools | Kura Hourua in 2014
- Transforming the Teachers Council in 2014
- Hosting the ‘World Cup’ of Education, the International Summit on the Teaching Profession, in Wellington 2014

**What You Can Do**
- Value and support our ECE and school professionals
- Become actively involved in your school
- Ask questions about achievement and plans for improvements
- Consider joining a Board of Trustees when vacancies arise
- Talk about what we can all do to raise expectations and achievement in education
- Share our message that 5/5 Kiwi kids can be successful
