Release/Not release

Katrina Casey
Deputy Secretary
Sector Enablement and Support 1/2/2019

Hon Chris Hipkins
Minister of Education 7/2/19
Background

1. Tomorrow’s Schools transferred the ownership of and the responsibility for schools’ contents to the Board of Trustees of each school. School buildings remain the property and responsibility of the Ministry of Education.

2. Following some issues with schools obtaining commercial insurance cover, the Risk Management Scheme was created by amendment to the Education Act.

3. The Act requires each Board to insure its school’s contents, and Boards can join the Risk Management Scheme (the Scheme) or arrange commercial insurance cover.

4. The Scheme provides contents, legal liability and cyber security insurance cover for schools that choose to join the scheme.

5. The Ministry manages the Scheme and pays for claims on contents from the Scheme’s reserve. The assessment of claims is provided by a loss adjuster, currently Crawford and Company, contracted by the Scheme.

6. The Ministry provides schools in the Scheme with legal liability insurance cover and cyber security cover by purchasing the cover from a commercial insurer, currently AIG.

7. The Scheme’s reserves are protected by the annual purchase of reinsurance cover.

8. Schools that join the Scheme pay fees of $10.50 per pupil per annum which is automatically deducted from their Operational Grant payments to reduce compliance overheads.

2019 Deed

9. The deed has been updated in accordance with the Education (School Risk Management Scheme) Regulations 2003.

10. As part of the ongoing improvement to the Scheme the cover for staff property has been extended to provide coverage for tools owned by staff and used for maintaining the school.

11. As part of the ongoing improvement to the Scheme the cover for staff property has been increased to $2,000 per staff member per event.

12. The Deed requires your signature as stipulated in the Education (School Risk Management Scheme) Regulations 2003 Order in Council.

Risks

13. Based on historical experience the termination of the Scheme would expose Boards to increases in insurance costs.
Financial implications

14. The Scheme has adequate reserves to meet its current financial commitments.

15. The reserve funds are held in a separate account specifically for the use of the Scheme. Fees deducted from schools, in the Scheme, are added each quarter.

16. Contents claims are paid out as and when required.

17. The Scheme also purchases:
   - Legal liability cover and cyber security cover;
   - Reinsurance cover;
   - Brokerage services; and
   - Loss adjustment services.

18. The income to the Scheme and the outgoings from the scheme are monitored and reconciled.

Proactive Release

19. It is intended that this Education Report is proactively released as per your expectation that information be released as soon as possible. Any information which may need to be withheld will be redacted in line with the provisions of the Official Information Act 1982.

20. The deed is provided to schools wishing to join the Scheme on request and will be available to download from the reformatted insurance webpage within the Ministry's website later this year.

23.1.3 terminate this Deed after giving at least two months written notice to every Participating School Board.

24 Security systems and fire extinguishers
24.1 If a Participating School Board has installed burglar alarms or other security systems, or fire detectors or extinguishers, in its premises, the Participating School Board must ensure that these are maintained in good working order at all times.

25 Release of liability
25.1 A release is allowed without prejudice to the Crown's liability under this Deed from liability arising from loss or damage to Property from any cause if a Participating School Board is required by contractual agreement to release:
25.1.1 the Crown, the Government, any Government corporation, any quasi Government organisation, any local authority, any oil company, any lift maintenance engineer, any approved fire protection, installation or service company, any warehouse or storage operator, or any signatories to a lease or mortgage; or
25.1.2 any other party if that agreement is declared to and agreed by the Administrator from time to time.

26 Fraud
26.1 If any Claim is in any respect fraudulent or if any false declaration is made or used in support thereof or if any fraudulent means or devices are used by a Participating School Board or anyone acting on behalf of a Participating School Board to obtain any benefit under this Deed in respect of a Claim, the Claim is forfeited except that, if the Participating School Board comprises more than one School Trustee, the benefit of this Deed shall continue to accrue to any School Trustee making a bona fide Claim under this Deed.

27 Goods and services tax
27.1 If a Participating School Board is liable for goods and services tax on any payment made under this Deed, the Crown will reimburse the Participating Board for that goods and services tax. The reimbursement will be made in addition to any liability that the Crown may have under Part II of this Deed.
28 Invalidity in appointment of Board
28.1 The Crown agrees to indemnify a Participating School Board in the manner provided in this Deed regardless of any error or defect or invalidity in the election or appointment or co-opting of, or assumption of responsibility by, a School Trustee or Commissioner.

29 Breach of warranty or condition
29.1 The obligations of the Crown under this Deed are not invalidated by breach of any provision of this Deed if the breach occurs without any of the Participating School Board, the principal of the School, and the chairperson of the Participating School Board having knowledge of the breach, so long as the Administrator is advised of the circumstances immediately they become known to any of the Participating School Board, the principal of the School, and the chairperson of the Participating School Board.

30 Observance of terms and conditions
30.1 The due observance and fulfilment of the provisions of this Deed by the Participating School Board in so far as they relate to anything to be done or complied with by the Participating School Board and the truth of statements made in writing, shall be conditions precedent to any obligation of the Crown to provide any indemnity under this Deed, provided that for the purpose of this Clause 30 the benefit of this Deed to the Participating School Board shall not be avoided by reason of failure to ensure due observance and fulfilment, or untrue statement, on the part of one or more individual School Trustees.

IN WITNESS WHEREOF this Deed has been entered into by the Crown.
