The New Zealand School Trustees' Association and the New Zealand Post Primary Teachers' Association have developed new guidelines to assist boards to meet their good employer obligations in respect of Māori as set out in the State Sector Act 1988. They are available in booklet form. These have been distributed to NZPPTA members and boards of trustees and are accessible on the NZSTA and NZPPTA websites.

NZSTA and NZPPTA trust that the parties to this agreement will make use of these guidelines as they work to adopt policies and practices to reflect their employment obligations to Māori teachers and their obligations to recognise the aims and aspirations of Māori.

3.2 Appointments

3.2.1 In appointing the person best suited to the position the employer will have regard to the experience, qualifications and abilities relevant to the position and such other relevant matters as it determines. Good employer and equal employment opportunities principles and responsibilities shall be applied and demonstrated in appointment procedures.

3.2.2 Advertising and Appointment

- (a) The following vacant positions or roles must be advertised in the Education Gazette at least 14 days before the date specified in the advertisement as the closing date for applications, and no appointment (provisional or otherwise) shall be made before that closing date:

Where the appointment at the end of the initial fixed-term period of up to two years is renewed in accordance with clause 4.23.4, that renewal does not need to be advertised.
- (c) A fixed-term Kāhui Ako Teacher (within school) role, of one school year or less, is not required to be advertised in the Education Gazette, but must be advertised within the school;

 - (ii) On the occurrence of a specified event; or
 - (iii) At the conclusion of a specified project.
- (b) Before a teacher and employer agree that the employment of the employee will end in a way specified in 3.2.3(a), the employer must have genuine reasons based on reasonable grounds for specifying that the employment of the teacher is to end in that way.
- (c) The following reasons are not genuine reasons for the purposes of 3.2.3(b):
 - (i) To exclude or limit the rights of the employee under the Employment Relations Act 2000;
 - (ii) To establish the suitability of the employee for permanent employment.

3.2.4 Job sharing arrangements

- (a) Where two people apply to share any advertised permanent full-time position, including a position above the base scale, and the employer is satisfied that the job share application is best suited for appointment and that the arrangements for sharing the position are acceptable to it then the position shall be filled as a job share position and the applicants appointed.
- (b) Teachers who are job sharing are entitled to the same terms and conditions of employment as permanent full-time teachers except that salary shall be paid on the appropriate pro-rata basis.
- (c) Where a teacher who is job sharing resigns or is removed from the position the other teacher shall elect to:
 - (i) Take up the entire full-time position; or
 - (ii) Find another sharer acceptable to the employer for the same or a different proportion of time as previously; or
 - (iii) Continue in the same proportion of time as previously or, with the agreement of the employer, a different proportion of time, as a permanent part-time teacher.

- (d) Where one teacher who is job sharing takes leave which entails absence for a period of time the other sharer shall:
 - (i) Elect to relieve in the vacant slot; or
 - (ii) Find another sharer acceptable to the employer who would be a reliever; or
 - (iii) Take leave also, in which case the employer may appoint a reliever.
- (e) Where it is proposed to vary the agreed proportions of time in a position the job sharers shall give one month's notice to the employer of their wish to do so, provided that no changes to such proportions of time shall be made without the consent of the employer.
- (f) Where the holder of a permanent full-time position wishes to job share that teacher's position and the employer is satisfied with the job share arrangements, and the teachers are suitable, they shall be appointed without advertising.

3.2.5 Relievers

A reliever may be temporarily employed in a teaching position during that teacher's absence (e.g. while on leave, or attending in-service courses or outdoor education). Relievers are defined as follows:

- (a) A short-term reliever is a teacher employed on a casual basis for a period not exceeding six weeks;
- (b) A long-term reliever is a teacher employed for a continuous period beyond six weeks.

3.2A Start of year

- 3.2A.1 Regardless of the first day schools are open for instruction in Term 1, for normal pay and employment purposes the start of the school year is 28 January for those teachers that are employed for that year, except that for teachers being employed for the first time in a state or integrated school, or being employed after a break in service, their start day is as advised to payroll by the employer.

3.3 Teacher Competence

Note: Refer to 4.2.4 and 3.5 of this agreement for additional guidance on the application of these provisions.

- 3.3.1 Questions of competence should be handled in a manner which seeks to protect the mana and dignity of the teacher concerned.
- 3.3.2 The employer shall provide reasonable opportunities for appropriate and effective professional development for all teachers.
- 3.3.3
 - (a) Where there are matters of competence which are causing concern in respect of any employee the employee concerned shall be advised as early as possible.
 - (b) The teacher shall be advised of her/his right to seek whanau, family, professional and/or Association support in relation to matters of competence and to be represented at any stage.
- 3.3.4 An appropriate assistance and personal guidance programme to assist that employee shall be put in place.
- 3.3.5 When that assistance and personal guidance has not remedied the situation, then:
 - (a) The teacher shall be advised in writing of the specific matter(s), in relation to the relevant section(s) of Supplement 1, causing concern and of the ways that such concerns can be remedied. The teacher shall be advised of her/his right to consult the Association and of the right to be represented by it at any stage of the process.

- (b) The teacher is to be given a reasonable opportunity, normally 10 school weeks, to remedy the matter(s) of concern that have been identified. It is recognised that there may be circumstances where a timeframe of less or more than 10 school weeks will be reasonable. The teacher is to be advised of the actual timeframe for the necessary improvement to be achieved and of the monitoring or guidance that will be provided.
- (c) At the end of this timeframe an assessment is made as to whether or not the teacher has remedied the matter(s) causing concern. The process and result of any evaluation is to be recorded in writing by the employer and sighted and signed by the teacher.
- (d) No action shall be taken by the employer on a report until the teacher has had reasonable time to comment (in writing or orally or both) to the employer.
- (e) If the teacher has failed to remedy the matter(s) causing concern then s/he may be dismissed without notice and paid one month's salary in lieu; or if a holder of units the teacher may be reduced in status and salary if the circumstances warrant such a reduction rather than a dismissal; or if appointed to a Kāhui Ako Teacher role under clause 4.22, 4.23 or 4.24, and the competency issues relate to that role, then the teacher may be removed from that role and lose the associated allowance if the circumstances warrant it rather than be dismissed from their substantive position.

3.3.6 A copy of any report to the Teaching Council of Aotearoa New Zealand (or its successor) arising under clause 3.3.5 shall be made available to the teacher.

3.4 Teacher Conduct and Discipline

Note: Refer to 3.5 of this agreement for additional guidance on the application of these provisions.

3.4.1 Where a breach of discipline appears to have occurred, the employer shall determine whether disciplinary procedures should be initiated. Where the employer considers it appropriate it shall make initial enquiries to establish whether the disciplinary procedures should be initiated. In some cases, where the facts are clear and acknowledged, resolution may be achieved informally by discussion between the parties without the need for initiating the disciplinary procedures. Questions of conduct or discipline should be handled in a manner which as far as possible protects the mana and dignity of the teacher concerned. Teachers may seek whanau, family, professional and/or Association support in relation to such matters.

3.4.2 The teacher shall be informed of any allegation of breach of discipline and of her/his right to consult the Association and of the right to be represented by it at any stage.

3.4.3 Where an employer decides to initiate formal disciplinary procedures against a teacher, the following principles are to be observed:

- (a) The employer or its agent shall advise the teacher in writing of the reason for the disciplinary procedures being initiated, invite the teacher to respond in writing, and advise the teacher of her/his right to request Association assistance and/or representation at any stage.
- (b) Before any substantive disciplinary action is taken, an investigation must be undertaken by the employer. The teacher shall be invited to attend any such investigation and to make a statement concerning the matter either personally or through a representative.
- (c) Notwithstanding 3.4.3(b) above if the employer is satisfied that the welfare and interests of any student attending the school or of any teacher at the school so requires the employer may at any time before the matter has finally been disposed of either:
 - (i) Suspend the teacher
(**Note:** suspension would normally be on pay except in exceptional circumstances);
or
 - (ii) Transfer the teacher to other duties.
- (d) Where a breach of discipline is held to have occurred, the employer shall not impose any penalty on the teacher without first:
 - (i) Giving the teacher the opportunity to make representations to it; and
 - (ii) Taking into account any period of suspension already imposed.

- (e) In the case of a finding of serious misconduct the employer may dismiss the teacher without notice.

3.4.4 Where a teacher has been suspended, and subsequently a breach of discipline is held not to have been proved, the teacher shall, unless the teacher has already resigned, be entitled forthwith to resume teaching duties.

3.4.5 The following are examples of matters that may warrant disciplinary action. This is not an exhaustive list nor is it intended that every such matter listed here must always be treated as a disciplinary matter. Each case must be assessed on its individual merits.

- (a) Disobedience of lawful orders or instructions.
- (b) Negligence, carelessness or indolence in carrying out her/his duties as a teacher.
- (c) Gross inefficiency as a teacher.
- (d) Misuse or failure to take proper care of school property or equipment in her/his custody or charge.

- 3.8A.3 Time allowances will aggregate where the individual is providing curriculum-specific advice and guidance to two or more beginning teachers who generate the time allowance.
- 3.8A.4 The Head of Department may decide that better use of her/his time allowance is by transferring her/his direct responsibility for providing curriculum specific advice, guidance and support of a beginning teacher to another suitably qualified teacher who has the curriculum knowledge, while ensuring that the beginning teacher has at least the equivalent support as would be provided by the Head of Department. When the curriculum support programme is transferred the eligibility for the time allowance is also transferred.
- 3.8A.5 Where more than one Head of Department has responsibility for providing curriculum support and guidance to the beginning teacher the time allowance shall be shared equitably.
- 3.8A.6 Where the Head of Department is employed at another school the employer of the beginning teacher shall transfer the Head of Department Beginning Teacher Time Allowance to the employing school of the Head of Department.
- 3.8A.7 The release time for beginning teacher support is provided in addition to any time allowances generated by the Head of Department (or her/his delegate) under 5.2 and 3.7 of this agreement.

Note 1: *The term 'Head of Department' is defined by role not necessarily title. It is used in this context to indicate the role of the teacher who would normally have the responsibility for management of a curriculum area and supporting a beginning teacher in that curriculum area.*

Note 2: *For clarity, this is not an additional allowance for those with general oversight of beginning teachers (including those overseeing school-wide induction programmes) or with general professional development roles (including Specialist Classroom Teachers), except where the curriculum support role is separate from her/his generalised responsibility for beginning teachers at the school.*

- 3.8B.5 A teacher appointed as a Specialist Classroom Teacher under 3.8B shall be paid an allowance equivalent in value to two units per annum (as per clause 4.3.2). For clarity, this is an allowance and is not a unit.
- 3.8B.6 Each teacher upon their first appointment as a Specialist Classroom Teacher shall have an entitlement to a reimbursement of fees for study towards relevant post graduate qualifications up to maximum of \$1000 for each of two years (these years do not have to be consecutive provided that the teacher remains appointed as a SCT). This includes those teachers appointed as Specialist Classroom Teacher at the date of settlement of this agreement.

Note 1: *The parties have produced agreed guidelines, in consultation with NZ School Trustees Association, to assist in the appointment process and the development of this position as an alternative career pathway for those teachers who want to remain based in teaching practice through supporting and encouraging effective teaching, rather than following a management and administration pathway. The guidelines are amended by the parties from time to time to assist in these processes.*

Note 2: *Attention is drawn to the agreed Specialist Classroom Teacher Guidelines in relation to holding units and other payments for those in the role of Specialist Classroom Teacher.*

This entitlement will cease on permanent appointment to another teaching position in a state school.
- (n) *Options for permanent part-time teachers*

Positions identified as surplus in the procedures set out in clause 3.9 will be effectively disestablished at the start of the next school year.

3.9.6 Period Following Issue of Notice and the Effective Date of Disestablishment

In the period between notice of disestablishment being given and the effective date of disestablishment, the following provisions shall apply:

- (i) *Withdrawal of Disestablishment Notice in Certain Circumstances*
Where a teacher's position is to be disestablished and where, before the effective disestablishment of that position takes effect, the roll increases sufficiently to justify its continuation at its current level, the notice of disestablishment will be withdrawn and the teacher concerned shall continue in the position at the level which existed prior to the notice of disestablishment being issued unless that teacher has, in the meantime, resigned or been appointed to another permanent position. Where there is more than one suitable teacher the provisions of clause 3.9.4(i) will operate.

- (v) *No Compensation if Teacher Declines Offer of Suitable Appointment*
Where a teacher holds a position which is about to be disestablished and, before the effective date of disestablishment, the teacher declines an offer of suitable permanent appointment at the same salary from their employer or applies for and declines an offer of appointment to a teaching position for which the teacher is suitable from another board, the teacher's employment may be terminated from the effective date of disestablishment and no further compensation paid.

(vi) *Entitlement to Removal Expenses in Certain Circumstances*

Where a teacher is appointed, under the provisions of this part, to a suitable permanent teaching position with another board and a transfer of location is involved, the teacher shall be entitled to normal removal expense provisions provided that this entitlement shall be exercised for one transfer only.

3.9.7 Voluntary Options

The **options** set out in clause 3.9.1(e) shall have the meaning set out in this clause and apply in the following manner.

The term “school weeks” used in clause 3.9.7(1) and 3.9.7(2) mean those weeks forming part of the period during which in the normal course of events the school would be open for instruction.

(1) **Supernumerary employment**

Supernumerary employment is employment for a period of up to thirty (30) school weeks. - (ii) *School mergers*
In the case of *school mergers* the teacher may elect to be employed at their existing salary for a period of **forty (40) school weeks** at the merged school or in any other school – provided that the board of that school gives consent – from the effective date of the disestablishment of the position and the provisions of clause 3.9.4(f)(i) a and 3.9.4(f)(i) b apply.
- (iii) *School closures*
In the case of school closure the teacher may be supernumerary for **forty (40) school weeks** in any other school provided that the board of that school gives consent.
- (b) *Teacher options*
The teacher may elect to take up their supernumerary employment at the same school or at any other school at the request of the teacher and with the approval of the original employer and the board at the other school.
- (c) *Provision of Support by Employer*
The employer will encourage the teacher to find a suitable alternative permanent teaching position and will meet the actual and reasonable expenses of attending interviews at other schools where prior approval is given.
- (d) *Appointment to Suitable Permanent Positions* If during the supernumerary period the teacher applies for a permanent position of equal or lower status for which they are suitable at the school or centre where they are employed at the time, they shall be appointed to, or in the case of a merger reconfirmed or reassigned to, that position.
- (e) *Termination of Supernumerary Period*
The teacher's supernumerary employment shall cease upon the teacher being appointed to a new teaching position or upon the teacher choosing to resign or at the expiration of the applicable number of school weeks specified in 3.9.7(1)(a) from the effective date of the disestablishment of the position, whichever is the earlier.

- (f) *Time the Supernumerary Position Commences*
In the case of the closure, merger, sale or transfer of, or change of class of a school the supernumerary period shall begin on the date of the opening of the new school, unless the teacher takes up their supernumerary position at another school in terms of (b) above, in which case supernumerary status will begin from the effective date of disestablishment. Where a school is closed without replacement the teacher is entitled to the options set out in clause 3.9.1(e).
- (g) *Removal Expenses*
Where a supernumerary teacher is appointed to a new permanent teaching position and a transfer of location is involved, that teacher shall be entitled to normal removal expense provisions provided that this entitlement shall be exercised once only for each supernumerary period.
Note: *Attention is drawn to 8.1.1(h) in relation to removal expenses.*
- (h) *Supernumerary Status Will Cease if Suitable Offer Declined*
Where a supernumerary teacher declines an offer of suitable appointment at the same salary from the employer with whom they are employed at the time, or applies for and declines an offer of appointment from another board, the teacher's supernumerary status shall cease forthwith.
- (i) *Salary Increases/Increments Preserved*
During any period of supernumerary employment a teacher is entitled to any salary increases or increments due.

(2) **Retraining**

Where a teacher's position is disestablished as the result of voluntary election or otherwise the teacher may elect to take a course of study approved by the Secretary for Education that will enhance or upgrade the teacher's skills as a secondary school teacher, provided that:

- (a) *Supernumerary Status for a Maximum of (40) School Weeks*
The teacher will continue to be employed at their existing salary for a maximum period of **forty (40) school weeks** from the effective date of the disestablishment of the position (normally at the beginning of term one of the following year);
- (b) The teacher is employed as a supernumerary teacher during this period and has the rights and obligations of a supernumerary teacher except as specifically provided in this clause.
- (c) *No Employer Contribution to Costs*
There is no requirement on the employer to meet any costs and expenses of training, including course fees.
- (d) *Provision of Evidence That Retraining Undertaken*
The teacher will provide evidence of attendance at the approved course of study where requested by the employer. The employer may make enquiries during the retraining period to establish that the teacher is undertaking the approved course of study.
- (e) *Supernumerary Status Affected by Duration of Course of Study*
Where the approved course of study is for a shorter period than **forty (40) school weeks** the teacher is required to attend the school as a supernumerary teacher in periods when the school is open for instruction provided that where the approved course of study is less than the applicable period under 3.9.7(1)(a) supernumerary status from the effective date of disestablishment of the position shall not extend beyond that period.
- (f) Where the course of study commences later than the effective date of disestablishment, the teacher is required to attend the school as a supernumerary teacher in periods when the school is open for instruction, except in special circumstances approved by the employer.

- (g) Where the teacher chooses to withdraw from the course before its completion, further employment shall cease, except where the employer and the Secretary for Education agree that there was just cause for the withdrawal, the teacher shall return to the school as a supernumerary for the remainder of the retraining period.

(3) **Severance Payment**

Except where otherwise provided in clause 3.9, where a teacher's position is disestablished as a result of the application of the provisions in clause 3.9, the teacher may elect to be paid a severance payment provided that:

- (a) *Deemed Supernumerary Status until Severance Payment Made*
The teacher will be deemed to have supernumerary status for the period after disestablishment until severance payment is paid. This period will usually be that between the beginning of the next school year and the first (1st) of March census of the school roll. During this period, the rights and obligations of a supernumerary teacher will apply.
- (b) *Effect of Early Payment of Severance Where Closed School Not Replaced*
Where a school is closed without replacement at the end of a school year the teacher shall receive a salary for the supernumerary status up to 1 March. The severance payment shall be paid in the pay period immediately after 1 March. A teacher may request to be paid the severance payment prior to 1 March (although no earlier than the end of the school year) and in these circumstances the payment for the supernumerary period shall be for the period between the end of the school year and the date of payment of the severance payment..
- (c) *Calculation of Severance Payment*
Payment under this clause will be made in accordance with the provisions below. For the purpose of these provisions, ordinary pay is defined as basic taxable salary, plus regular taxable allowances paid on a continuous basis as at the effective date of disestablishment of the position. For teachers on leave without pay, ordinary pay shall be the ordinary pay at the time of taking leave.
- (d) A teacher whose position is disestablished who elects to take a severance payment shall be paid according to the table below:

Length of Service	Weeks of Payment (ordinary pay)
Up to 3 years	7 weeks
Over 3 years and up to 5 years	15 weeks
5 years and over	23 weeks

- (e) *Calculation of Length of Service for Severance (and Long Service) Payment*
For the purposes of calculating length of service for clause 3.9.7(3) and 3.9.7(4) only service as a teacher in a state or integrated school shall be counted. Non-permanent part-time service shall be calculated on the basis that 80 hours equals one month's service and 1000 hours equals one year's service. Where non-permanent part-time service consists of 20 or more hours per week it may be credited as full-time service. For the purposes of this clause service includes service credits for childcare where a teacher resigned or took leave to care for their children, on the basis of one third credit for each year of such leave up to a maximum of five years' credit.

- (f) *Circumstances Where Refund of Portion of Severance Payment Required*
Where a teacher having received a severance payment commences permanent employment within a number of weeks which is less than the number of weeks of payment received by the teacher as a severance payment under clause (3)(c) above, the teacher shall refund the difference between the number of weeks for which they were without employment and the number of weeks for which severance payment was received. Provided that, for the purposes of this clause, employment means employment as a teacher in a state or integrated school or employment as a specialist secondary teacher of technology who comes within the coverage of clauses 1.4(a) or (c).
- (g) *Effect of Severance Payment on Future Service*
Any teacher receiving the severance payment will be deemed to have been paid in full for service to that date for the purpose of calculating service for any future sick leave, severance or long service payment entitlements.
- (h) *Definition of "Pay"*
Pay for employees shall be defined as:
 - (i) For full-time employees, "Weekly" pay shall be 7/365 of ordinary pay.
 - (ii) For part-time employees, "Weekly" pay shall mean the teacher's average weekly earnings for the previous six/twelve months (whichever is more favourable to the teacher).
 - (iii) Payment under this provision is conditional upon the teacher finishing on an agreed date (usually the first of March). Where the teacher resigns her/his position or is appointed to another teaching position before the date of payment no payment will be made.

(4) **Long Service Payment**

- (a) *Deemed Supernumerary Status until Long Service Payment Made*
Where a teacher's position is disestablished either as the result of voluntary election or otherwise the teacher may elect to receive a long service payment. The intention of this payment is to assist the teacher to withdraw from the teaching service. This option will be available on the following basis:
 - (i) the teacher will be deemed to have supernumerary status for the period from the effective date of disestablishment until long service payment is paid. This period will usually be that between the beginning of the next school year and the first (1st) of March census of the school roll. During this period, the rights and obligations of a supernumerary teacher will apply;
 - (ii) those with twenty-five (25) years' service and less than thirty (30) years' service shall be paid a lump sum of twenty-five (25) weeks' ordinary pay;
 - (iii) those with thirty (30) years' service or more shall be paid a lump sum of thirty (30) weeks' ordinary pay;
- (b) *Effect of Early Payment of Long Service Where Closed School Not Replaced*
Where a school is closed without replacement at the end of a school year the teacher shall receive salary for the supernumerary status up to 1 March. The long service payment shall be paid in the pay period immediately after 1 March. A teacher may request to be paid long service prior to 1 March (although no earlier than the end of the school year) and in these circumstances the payment for the supernumerary period shall be for the period between the end of the school year and the date of the payment of the long service payment.
- (c) *Definitions of "Service" and "Weekly Ordinary Pay" for Long Service Payment*
For the purposes of the long service payment the definitions of service and of weekly ordinary pay are the same as those for severance set out above.

- (d) *Circumstances Where Refund of Portion of Long Service Payment Required*
Where a teacher having received a long service payment commences permanent employment within a number of weeks which is less than the number of weeks of payment received by the teacher as a long service payment under clause (4)(a) above, the teacher shall refund the difference between the number of weeks for which they were without employment and the number of weeks for which long service payment was received; provided that, for the purposes of this clause, employment means employment as a teacher in a state or integrated school or employment as a specialist secondary teacher of technology who comes within the coverage in clauses 1.4(a) or (c).
- (e) *Effect of Long Service Payment on Future Service*
Any teacher receiving the long service payment will be deemed to have been paid in full for service to that date for the purpose of calculating service for any future sick leave, severance or long service payment entitlements.
- (f) Payment under this provision is conditional upon the teacher finishing on an agreed date [usually the first (1st) of March].

3.9.8 Preference in Appointment

- (a) *Preference for Re-appointment Prior to Dis-establishment of Position*
Where a position which has permanent units attached has been reduced in status because of the operation of clause 3.9 and the actual roll is sufficient to justify its re-establishment (or its continuation or resumption at the former level if altered in status) before the actual disestablishment of that position takes effect the teacher concerned shall be entitled to be reappointed to the position at the re-established level unless they have resigned or been appointed to another permanent position.
Note: *This sub-clause is not applicable to the holder of fixed-term unit(s).*
- (b) *Preference of Appointment to Position at New Status and Salary Protection* Any teacher who holds a position which has permanent units attached, and that position is or is about to be altered in status as a consequence of the operation of clause 3.9, who applies for the position as advertised at its new status shall be appointed to that position unless in the meantime the teacher has been appointed to another permanent position provided that where the position has been reduced in status the teacher concerned shall continue to be paid at the salary they were receiving immediately prior to the reduction for a period of one year from the effective date of the reduction provided that they continue to hold that position.
Note: *This sub-clause is not applicable to holders of fixed-term unit(s).*
- (c) During any period of salary protection a teacher is entitled to any salary increases or increments due.

3.9.9 Where a teacher appointed to a position to which unit(s) are allocated loses that position or has the position altered in status because of the application of the surplus staffing provisions of this agreement the salary protection arrangements of those provisions shall apply provided:

- (a) that where the allocation has been made on a fixed-term basis the period of protection shall be for the lesser of the term of the appointment agreed or for one year while the teacher continues to hold a position at the school; and provided also:
- (b) that in no case shall the eventual salary reduction be to a rate less than would otherwise apply had the teacher not been appointed to a position to which unit(s) had been allocated. For the sake of clarity, any increments received or due in accordance with clause 4.2.3 or 4.3.7 or 4.1.4 above shall remain payable or due notwithstanding the teacher's reduction in status.

3.10 Return from a Period of Childcare

- 3.10.1 Any teacher who has resigned from her/his position to care for pre-school children and not more than four years have elapsed since such resignation (or five years in the case of a resignation because of pregnancy) who applies for a position of equal or lower status for which the teacher is suitable at the school from which they resigned shall be appointed to that position.
- 3.10.2 The teacher shall provide a birth certificate for the child and sign a statutory declaration to the effect that absence has been due to the care of a pre-school child.
- 3.10.3 If an applicant under these provisions is not appointed to any position in the school from which the applicant resigned within six months after the expiry of the period in this clause the benefits of these provisions will lapse.

3.11 Termination of Appointment

- 3.11.1 (a) The notice required to be given to a permanently appointed teacher who holds a position which was advertised shall be two months.
- (b) A permanently appointed teacher shall give two months' notice to the employer, except where the teacher and the employer agree to a lesser period of notice from the teacher.
- (c) Where an employer has dismissed a teacher who holds such a position, except in cases of serious misconduct, the employer at their discretion may provide some or all of the notice as salary in lieu of notice. In cases of serious misconduct clause 3.4.3(e) shall apply.
- 3.11.2 Notice for fixed-term employees
- (a) Where fixed-term employment is to be terminated prior to the agreed termination point (being the date, event, or project conclusion agreed between the employer and teacher) the notice required shall be two months, except that if there is less than two months remaining until the termination point, the notice required shall be half of that remaining period.
- (b) Nothing in 3.11.2 (a) shall prevent a shorter notice period being agreed between the teacher and the employer.
- (c) Notice provisions for relievers covering a teacher on maternity leave are set out in clause 6.3.3.
- 3.11.3 The notice requirements in 3.11.1 and 3.11.2 do not apply where a teacher is dismissed without notice for serious misconduct or where the Secretary for Education gives concurrence under medical retirement – serious illness.

3.12.1 Terminal Illness

A permanently appointed teacher may be granted medical retirement in circumstances where the teacher has a terminal illness which causes them to be incapable of continuing to work or returning to work.

- 3.12.2 In such circumstances, the teacher shall provide to the employer evidence of their illness from the teacher's registered medical specialist with a prognosis attesting to the incapacity to work

both currently and in the future. The employer may request a further medical certificate from a registered medical practitioner nominated by the employer and will reimburse the cost where this is requested.

- 3.12.3 The employer shall, on receiving an application for medical retirement, take account of the information provided by the teacher when making the decision whether or not to grant the medical retirement. Where the information provided does not provide sufficient medical reasons to support the granting of the medical retirement, the application can be declined.
- 3.12.4 Where the employer agrees to the medical retirement, the teacher is entitled to receive the greater of either:
- (a) the balance of their unused sick leave entitlement as provided for in clause 6.2 of this agreement; or
 - (b) two months' normal salary in lieu of notice.

The following is a summary of the serious illness provisions which are detailed in full in Appendix B. Where there is an intention to use these provisions then refer directly to Appendix B.

- 3.12.7 Either the teacher or the employer can initiate the medical retirement processes. Where the employer initiates, they must have reasonable grounds to do so.

- (a) A medical retirement payment of 13 weeks' salary plus an additional week for every year's service after 25 years. The maximum payment is 26 weeks' salary. Any sick-leave taken in the four weeks leading up to the application to medically retire will be subtracted from the payment; or
 - (b) Remaining on sick-leave until their entitlement is exhausted and the employer immediately appointing a permanent teacher to replace the medically retired teacher; or
 - (c) Receiving the remainder of their sick-leave entitlement as a lump-sum payment. This payment does not attract any holiday pay.

- 3.12.9 There must be concurrence from the Secretary for Education before the teacher may be medically retired under these provisions.

Note: *Teachers considering medical retirement processes are advised to check out any implications of being medically retired on any retirement saving scheme or superannuation scheme they may contribute to.*

 - (ii) Teachers who do not have a subject/specialist qualification defined by a 'G' notation and who have not completed a recognised course of teacher education shall progress after completing one year on each step, to step 4 of the Base Scale – Untrained Teachers;
 - (iii) Non-permanent part-time teachers employed for fewer than 20 hours a week shall advance to the next step on completion of each 1000 hours. Credit towards each increment shall be based on class contact hours only and shall not include the 11% loading which applies in calculating salary. Salary credits will be calculated to the nearest month.
 - (iv) Short-term relievers shall progress from one step to the next upon completion of each 190 days or 950 hours' relieving service, subject to satisfactory performance as attested by the principal of a school where the teacher has recently been employed as a relief teacher.

4.2.4 Withholding Increments

- (a) Where a teacher has not met the standards at the appropriate level the employer may defer salary progression. A programme of support and development will be put in place to assist the teacher in meeting the standards within a timeframe agreed between the employer and the teacher.
- (b) At the end of the review period:
 - (i) Where the teacher has met the appropriate standards, s/he will progress to the next salary step from this date. This will become the teacher's new anniversary date for pay progression purposes.

- 4.2.8 **Regional Health School Teachers**
A teacher appointed to a permanent, full-time teaching position in an approved Regional Health School shall receive one unit per annum (as per clause 4.3.2. This does not restrict the ability of the employer to offer additional unit(s) for further specific assignments or tasks performed by the teacher.
- 4.2.9 **Resource Teachers**
A permanent full time teacher appointed to a Ministry of Education approved resource teacher role shall receive one unit per annum (as per clause 4.3.2. This does not restrict the ability of the employer to offer additional unit(s) for further specific assignments or tasks performed by the teacher.

- 4.3 Units**
- 4.3.1 Boards will be entitled, in any one school year, to a number of units generated by formula in the Staffing Order. The employer, following consultation with its teaching staff, will determine the use of units. Up to 40% of the units may be allocated on a fixed-term basis.
- 4.3.2 Until 27 January 2020 the rate of each permanent or fixed term unit is \$4,000 per annum. From 28 January 2020 the rate of each permanent or fixed term unit is \$5,000 per annum.
- 4.3.3 Units are not divisible and must be paid at the substantive rate to both full-time and part-time teachers. The only circumstance in which the units may be apportioned is in an approved full-time job share position.
- 4.3.4 Fixed-term units will be paid in addition to the teacher's rate of pay, including any permanent units. At the time of allocating a fixed-term unit(s) the employer will specify either the period of time the teacher is entitled to the fixed-term unit or units, or the particular assignment or task to be undertaken which the fixed-term unit(s) has been allocated.

- 4.3.7 Until 30 June 2020 teachers holding permanent units (including permanent additional units) shall be entitled to progress pursuant to clause 4.2.3, beyond their qualification maxima, to G3 maximum of the base scale provided that:

- (a) If they progress beyond their qualification maximum they will revert to their qualification maximum if their permanent units are lost through voluntary relinquishment or acceptance of a position without permanent units;
- (b) If they subsequently regain permanent unit(s) they will receive an immediate base salary scale increment (if not already at G3 maximum of the scale) and will be eligible for any further increment(s) due from the anniversary of that date.

- (d) If on 30 June 2020 they have progressed to a step beyond the G1 or G2 maxima (as applicable) they will, on 1 July 2020 remain on the step they have progressed to and will continue to be eligible for any further increment(s) from their anniversary date until they reach the G3 maximum of the base scale regardless of whether they retain their permanent unit(s) or not.

4.3A Middle Management Allowances

- 4.3A.1 An employer will be entitled, in each school year, to a number of Middle Management Allowances generated by formula in the Staffing Order. The employer, following consultation with its teaching staff, shall determine the allocation of these allowances. Up to 40% of the allowances may be allocated on a fixed term basis.
- 4.3A.2 The Middle Management Allowances are restricted to:
 - (a) teachers with four or fewer units (including none) who have a designated curriculum or pastoral management responsibility; and
 - (b) teachers with five units who have significant designated curriculum-related management responsibilities; and
 - (c) teachers who have responsibilities (as defined in 4.3A.5 below) for at least five ORRS funded students.

- 4.3A.4 An individual teacher with fewer than five units, may be allocated up to two Middle Management Allowances. An individual teacher with five units may be allocated no more than one Middle Management Allowance. Teachers with more than five units shall not be eligible to receive Middle Management Allowances.
- 4.3A.5 (a) Subject to 4.3A.4, employers will allocate one Middle Management Allowance to each teacher who has responsibility for at least five High and/or Very High ORRS students if the teacher has the following special duties and responsibilities for those students.
 - (i) The direct responsibility for the development of the educational programmes of those students (including the significant adaptation of curriculum content); and

- (ii) The designated responsibility for the implementation of those programmes including providing special assistance to the students in face to face communication and social interaction in order for the students to be engaged, be understood, to respond and to learn.
 - (b) This entitlement does not restrict a board from allocating more than one Middle Management Allowance to such teacher(s) if they are eligible under 4.3A.2 (a), or (b).
- 4.3A.6 Until 27 January 2020 each Middle Management Allowance shall generate an additional annual salary payment of \$1000 per annum. From 28 January 2020 each Middle Management Allowance shall generate an additional annual salary payment of \$2,000 per annum.
- 4.3A.7 Middle Management Allowances are not divisible and the attached salary shall be paid at the substantive rate to both full-time and part-time teachers.
- 4.3A.8 These allowances do not count in the determination of eligibility for removal expenses under 8.1.1(a) (Appointment on promotion).
- 4.3A.9 Where a teacher appointed to a position to which Middle Management Allowances are allocated loses that position, or has the position altered in status, because of the application of the surplus staffing provisions of this agreement then the salary protection arrangements of those provisions shall apply provided that where the allocation has been made on a fixed-term basis the period of protection shall be for the lesser of the term agreed or for one year while the teacher continues to hold a position at the school.

4.3B Senior Management Allowances

- 4.3B.1 An employer will be entitled, in each school year, to a number of Senior Management Allowances generated by formula in the Staffing Order. The employer, following consultation with its senior management team, shall determine the allocation of these allowances. Up to 50% of the allowances may be allocated on a fixed term basis.
- 4.3B.2 A teacher who holds a position of either Assistant Principal or Deputy Principal shall be eligible to receive a Senior Management Allowance if they formally deputise from time to time for one or more of the Principal's responsibilities. (See Note 1)
- 4.3B.3 An individual teacher may hold both Middle and Senior Management Allowances if they separately meet the criteria for the allocation of each, except that they may hold no more than a total of two such allowances in any combination.
- 4.3B.4 Until 27 January 2020 the rate of each Senior Management Allowance shall generate an additional annual salary payment at the rate of \$1000 per annum. From 28 January 2020 the rate of each Senior Management Allowance shall generate an additional annual salary payment at the rate of \$2,000 per annum.
- 4.3B.5 Senior Management Allowances are not divisible.
- 4.3B.6 These allowances do not count in the determination of eligibility for removal expenses under 8.1.1(a) (Appointment on promotion).
- 4.3B.7 Where a teacher appointed to a position to which Senior Management Allowances are allocated loses that position, or has the position altered in status, because of the application of the surplus staffing provisions of this agreement then the salary protection arrangements of those provisions shall apply provided that where the allocation has been made on a fixed-term basis, the period of protection shall be for the lesser of the term agreed or for one year while the teacher continues to hold a position at the school.

For clarity when a senior manager, in writing, voluntarily relinquishes a Senior Management Allowance, other than provided in 4.3B.7 above, the salary protection period shall not apply.

Note 1: *The terms 'Assistant Principal' and 'Deputy Principal' are defined by role not necessarily title. They are used in this context to indicate the role of the senior teachers who have school-wide leadership, management and/or administrative responsibilities and formally deputise from time to time for one or more of the Principal's responsibilities.*

4.4 Payment of Salaries - Short-Term Relievers

- 4.4.1 Short-term relievers employed as per 3.2.5(a) shall be paid at the rate of 1/190 of the appropriate annual salary for each day worked (inclusive of holiday pay); provided that the maximum daily rate payable for relievers employed for no more than 6 weeks shall not exceed 1/190 of Step 6 of the Base Scale –Trained Teachers, or step 7 of the Base scale – Untrained Teachers, as applicable.
- 4.4.2 If employed on an hourly basis the hourly rate shall be 1/950 of the applicable annual rate to a maximum of either step 6 of the Base Scale –Trained Teachers, or step 7 of the Base Scale – Untrained Teachers, (inclusive of holiday pay); provided no reliever so employed shall be paid for less than 2 hours per day of relief and, if there is a break in duties of one and a half (1.5) hours or more, an allowance equivalent to one (1) hour's pay shall be paid.

4.5 Part-Time Teachers

4.5.1 Part-Time Salary Rates

- (a) Part-time teachers must be employed for less than 0.9 FTTE. Subject to subclause 4.5.2 below, the salary of a part-time teacher shall be a proportion of the step in the base scale that the teacher would receive if employed full-time. The number of hours for which payment is made is the sum of the number of class contact hours plus any timetabled non-contact time. This sum shall be increased by 11 percent which is equal to an additional payment of one hour for each nine timetabled hours.
- (b) In return for the additional payment, part-time teachers on a pro-rata basis are expected to share, at least to this extent, in the activities of the school which are outside classroom teaching as and when they are required by the principal.

4.5.2 Additional Temporary Part-Time Rates

- (a) Where in any week the class contact hours of a part-time teacher who is in receipt of a pro-rata salary are increased (but to less than a full-time programme) for not more than four consecutive weeks, payment for the additional hours so worked shall be at 1/855 of the teacher's full-time salary step but the total payment for hours worked in any week shall not exceed the amount which the teacher would receive if employed full-time on that salary step for a full week.
- (b) The part-time hourly rate of 1/855 of the appropriate full-time salary rate includes holiday pay.
- (c) Where there is an increase in weekly contact hours for more than four consecutive weeks, payment shall be as prescribed by subclause 4.5.1 of this clause.
- (d) Where a part-time teacher temporarily works full-time for a period of one week or more, payment shall be made, for such periods, as if employed on a full-time basis.

- 4.5.3 Where a part-time teacher is absent on leave without pay for a day or more, the deduction from salary is calculated on the same basis as for a full-time teacher (that is, a deduction of one-fourteenth of a normal fortnightly salary for each day of absence). This rule applies regardless of the number of hours the teacher would normally have worked had leave not been taken.

4.5.4 Where a public holiday or a mid-term break occurs on the day a part-time teacher would normally have worked they are to be paid their normal fortnightly salary as if they had worked on the holiday. The teacher is not obliged to make up the time on an alternative day during that week but if they choose to work the alternative day in lieu of the public holiday they are not to receive extra pay for that day over and above their normal fortnightly salary. The normal fortnightly salaries of part-time teachers who would not have worked on the public holiday or mid-term break are not affected providing they worked the number of hours normally worked during the pay period concerned.

4.5.5 When a part-time teacher is required or invited by the Secretary for Education to attend an official course, the teacher's normal pro-rata salary is payable during the period of attendance.

4.6 Effective Date of Salary Increases on Promotion

4.6.1 The effective dates of salary increases on promotion are as follows:

- (a) When promotion occurs at the beginning of the school year. The increased salary is payable from 28 January.
- (b) Appointment after advertisement. All appointments are required to be made after advertisement. The date of commencement of salary for the new position is the date of formal appointment or the date on which the appointment is taken up, whichever is the later.
- (c) Appointment during period of leave with pay. A teacher who is appointed to a higher position while on leave with pay is not paid salary for the new position until the date of actually taking up the new duties.

4.7 Salary Protection

4.7.1 During any period of salary protection the teacher is entitled to any salary increases or increments due. Upon expiry of the protection period the teacher's salary is reduced to the maximum salary payable according to the new grade of the position. When a teacher whose salary has been reduced subsequently obtains a new position salary is assessed as if no reduction had taken place.

4.8 Holiday Pay

4.8.1 Definitions

The following definitions apply to this subsection:

- (a) Holiday Pay (HP) – Holiday pay is the salary payable to teachers on cessation of duty or for periods during which schools are closed for term vacations.
- (b) Vacation – Vacation is the period during which schools are closed at the end of a school term. Mid-term breaks are deemed to be part of vacation time for the purpose of holiday pay calculations. Part 7 of the Education Act 1989 determines the periods during which schools will be closed for vacations.
- (c) Deduction from HP – Deduction from holiday pay is a proportionate reduction in a teacher's holiday pay on account of leave without pay taken during the current school year.

4.8.2 General Provisions

- (a) Intervening vacations – A permanent teacher is paid for all vacations which occur during the period of engagement, subject to 4.8.3 below.
- (b) Holiday pay due on resignation – A permanent teacher who resigns during a school year is paid, on ceasing duty, any balance of holiday pay due after taking into account:
 - (i) Total teaching service for the year;
 - (ii) Holiday pay already paid in that year;
 - (iii) Any leave without pay taken during that year.

- (c) Holiday pay after sick leave without pay – No deduction is to be made from the holiday pay of teachers for periods of sick leave without pay or accident leave without pay for periods not exceeding three months in any one school year. Where the total number of days of sick/accident leave without pay is in excess of three months the deduction is based on the period subsequent to the three months. The initial three months are not taken into account. In order to receive the benefits of holiday pay for periods of sick leave without pay, a teacher's current sick leave entitlement must first have been used, i.e. teachers with current entitlements to sick leave are not covered by the non-reduction in holiday pay provisions outlined above if they elect to receive sick leave without pay instead of using their entitlement.

4.8.3 Holiday Pay After Leave Without Pay

If a permanent teacher has been granted leave without pay (other than sick leave in terms of sub paragraph 4.8.2(c)) in excess of five school days during any school year, the total holiday pay due is reduced in proportion to the total period of leave without pay. In special cases the Secretary for Education may approve holiday pay beyond entitlement (e.g. periods of approved sports leave without pay).

4.8.4 Relieving Teachers

- (a) Short-term relieving teachers are to receive holiday pay progressively during the year after each period of employment, except as provided for in 4.4 and 4.5.2 (a) and (b) where the rate of pay includes holiday pay.
- (b) Long-term relieving teachers are to be treated the same as permanent teachers for holiday pay purposes.

4.8.5 Holiday Pay on Higher Duties or Relieving Allowances

A permanent teacher receiving additional salary as the holder of units or receiving management allowances (including middle and senior), higher duties allowances, staffing incentive allowance, high priority teacher supply allowance and/or special duties allowance at the end of the term receives holiday pay calculated on the higher salary for the period so employed or until the end of the vacation, whichever is the shorter.

4.8.6 Method of Calculation

Holiday pay is based on the school year. It is not normally payable beyond 27 January except where the employment of a teacher who has a later employment anniversary date ends. For holiday pay purposes, teaching service comprises all paid service including weekends and public holidays, but not school vacations. Calculation of holiday pay is made to the nearest day and when a half-day is involved the calculation is made to the benefit of the teacher. In calculating holiday pay the following rules apply:

- (a) In schools open for 195 or more days in a school year, $HP = 1/4 \times \text{number of days}$. In schools open for fewer than 195 days in a school year, $HP = 3/10 \times \text{number of days}$.
- (b) If a permanent teacher has had leave without pay for a period exceeding five days, the holiday pay to be deducted is based on the total number of days without pay.
- (c) When a teacher resigns, any half-day resulting from calculation of holiday pay is to the benefit of the teacher.
- (d) When a school closes on a Friday and the vacation commences on the Monday following, the intervening weekend is school time and not vacation time.
- (e) The number of days holiday pay is counted from the beginning of the vacation. Deductions of holiday pay are made from the end of the vacation.

4.8.7 Specialist Secondary Teachers of Technology

Specialist secondary teachers of technology who come within the coverage in clause 1.4(a) receive holiday pay on the same basis as primary teachers.

- 4.8.8 **Study Leave**
No deduction is made from the holiday pay of permanent teachers for study leave without pay for periods not exceeding three months in any one year. For periods in excess of three months the deduction is based on the whole period of leave. The leave must be for study for qualifications recognised by the Ministry as of value to teaching.
- 4.8.9 **Military Training**
No deduction from holiday pay is made for leave without pay for voluntary military training or subsequent part-time training.
- 4.8.10 **Overseas Military Training**
At the commencement of the leave a teacher may be paid the amount of holiday pay due at that date. If the teacher resumes teaching immediately after the date of discharge, full payment is due for subsequent vacations during that school year (except for any reduction on account of subsequent leave without pay for other reasons).
- 4.8.11 **Exchange Teachers to USA**
When teachers are granted leave during the year to go to the USA on exchange under the Fulbright/Hays scheme for 12 months, they may elect to receive any payment due for the vacation before departure, and if they resume at the beginning of the third term in the following year, no deduction will be made from holiday pay in the next December/January vacation.
- 4.8.12 **Holiday Pay for Teachers Employed on a Pro-Rata Basis Who Temporarily Work Full-Time**
If the period of work is one week or more, then payment is to be made on a full-time basis. Holiday pay is to be paid at the full rate of salary for a period equal to 1/4 or 3/10 of any period or periods that the teacher worked full-time and the balance of vacations should be paid for at the normal pro-rata rate. This is subject to any holiday pay adjustment needed on account of the teacher not having worked the full year (where applicable).

4.9 Service/Qualification Increment

- 4.9.1 A teacher is eligible for the Service/Qualification Increment (Increment) if the teacher:
- is permanently appointed to a teaching position; and
 - has been attested by the principal as having met the requirements of Supplement 1; and
 - has completed three years' teaching service on their maximum step of the trained teachers' base salary scale for the teacher's qualification group; and
 - is classified in qualification Group 1, 2, 3 or 3+ and has completed a qualification at Level 5 or higher on the National Qualifications Framework that is acquired after the qualification(s) used to determine the teacher's qualification group; and
 - does not hold a permanent unit(s) in terms of clause 4.3.
- 4.9.2 The acquisition of an additional qualification is not required of a teacher classified in qualification Group 4 or 5.
- 4.9.3 A teacher eligible for payment of the Increment shall, upon application, be paid additional salary at the rate of \$2,000 per annum.
- 4.9.4 A teacher eligible for the Increment under clause 4.9.1 shall have the payment backdated to the date they became eligible to receive the increment provided that no backdating exceeds 36 months from the date of application.
- 4.9.5 Eligibility for the Increment once approved, remains (subject to 4.9.6 and 4.9.7 below) if the teacher moves to a new teaching position in the secondary sector, whether permanent or not, regardless of breaks in service.

- 4.9.6 Payment of the Increment will cease should a teacher be appointed to a position which has allocated permanent unit(s), or upon the allocation of permanent unit(s) to the teacher in her/his existing position. Payment of the Increment will resume should the teacher cease to hold a position allocated permanent unit(s).
- 4.9.7 Payment of the Increment will cease should a teacher improve their qualification group. Once the teacher has met the eligibility requirements outlined in clause 4.9.1(b) to (e) for the new qualification group payment of the Increment shall resume.
- 4.9.8 Primary or area school teachers or those in the advisory service who move to a position in a secondary school, either directly or after a break in service, who:
- (a) were in receipt of the Service Increment will receive payment of the Increment as per clause 4.9.3 (subject to clause 4.9.6 and 4.9.7) from the date of appointment to the new position; or
 - (b) have accumulated service towards eligibility for the Increment in terms of clause 4.9.1(c) shall be able to count the accumulated service towards the service requirement in clause 4.9.1(c).
- 4.9.9 Teachers who were serving on or before 1 February 1971 will not be required to acquire an additional qualification if they fall within one of the categories outlined in Supplement 2 of this agreement.

4.10 Careers Adviser Allowance

- 4.10.1 A teacher appointed as careers adviser shall be paid an allowance at the rate of \$2,250 per annum. This allowance is paid at the substantive rate for both full time and part time teachers, regardless of the number of units they hold. The only circumstance in which the allowance may be apportioned is in an approved full-time job share position.

4.11 Associate Teacher Allowance

- 4.11.1 A teacher who has been assigned by the principal to assist in the practical training of teacher trainees, or of teachers on retraining courses, is eligible to be paid a minimum allowance of \$3.19 for each timetabled hour of teacher trainee contact subject to the following provisions:
- (a) The allowance is paid to an assigned associate teacher provided that he or she accumulates one hour or more of timetabled teacher trainee contact per week. For each additional hour per week a further allowance is paid. The allowance is paid for multiples of one hour minimum only and not for fractions of an hour.
 - (b) When more than one teacher trainee is placed with an associate teacher for a timetabled period or periods the aggregate is not affected.
 - (c) The time spent with the associate teacher does not all need to be class contact time but can include formally timetabled periods spent in such activities as discussion with teacher trainees, assisting the teacher trainees in preparing lessons, critical appraisals of teacher trainees' teaching, or other professional guidance related to the work of the teacher trainees placed with that teacher.
 - (d) In the event of team teaching, the number of hours or parts thereof claimed by associate teachers cannot exceed the number of teacher trainees present and can be claimed only by those teachers with whom those teacher trainees have been timetabled.
 - (e) The allowance is paid at the end of each term.
 - (f) Where a rate above the minimum rate of \$3.19 is to be paid to a teacher, the rate shall be consistent with any arrangements made between the provider and the Board.

4.12 Staffing Incentive Allowance

- 4.12.1 Subject to the conditions set out below full-time permanent teachers appointed to advertised positions up to and including positions attracting four permanent units in schools designated by the Secretary for Education, after consultation with the Association, as qualifying for the staffing incentive package and teachers appointed to long-term relieving positions up to and including positions attracting four permanent units who have served for two complete terms or more in a school or schools so designated, shall be paid a staffing incentive allowance of \$1,000 per annum.
- 4.12.2 Itinerant music teachers in Southland are entitled to be paid the staffing incentive allowance, provided that the majority of schools serviced by the individual teacher are designated as qualifying for the staffing incentive package.
- 4.12.3 Teachers receiving the staffing incentive allowance (except for long-term relievers) are entitled to receive the allowance for a minimum of three years in any individual school approved for payment of the allowance. Therefore when a school is removed from the approved list, eligible teachers who have not received the allowance for the three year minimum period at the time the school ceases to qualify shall continue to receive the allowance until the period of three years is completed providing continuous service in the same school is maintained during this time and providing the teacher remains in a position eligible for the allowance. Payment of the allowance will, however, cease immediately for those teachers who have already received the allowance for a period of three years or more at the time the school ceases to qualify. If the teacher moves to a school not approved for payment of the allowance, payment ceases immediately. If the teacher moves to a school which does attract the allowance, a new minimum period of three years is applicable from the date the teacher commences in the new school.
- 4.12.4 Long-term relievers are to receive payment of the allowance retrospectively after they have completed the minimum period of two terms of continuous service (excluding holidays) in a school or schools which qualify for the allowance. They may then be paid the allowance fortnightly as long as they maintain continuous service in a school or schools which qualify. For the purpose of this clause service as a long-term reliever means continuous service in a school or schools which qualify for a minimum period of two terms equivalent.

4.13 High Priority Teacher Supply Allowance

- 4.13.1 The High Priority Teacher Supply Allowance (HPTSA) provisions below shall apply to teachers employed in those schools identified by the Secretary for Education as requiring additional support for recruitment and retention. The schools identified by the Secretary are those set out in separate advice and may be changed by the Secretary as needs change, no more than annually, after consultation with the PPTA.
- (a) Full-time and part-time (0.5FTTE and above) teachers who hold a current practising certificate and are employed on a permanent or long-term relieving basis of two consecutive terms or more shall be entitled to receive the allowance of \$2,500 per annum, pro-rated for part-time teachers.
 - (b) Teachers in receipt of HPTSA are not entitled to receive the SIA at the same time.
 - (c) Where a school loses HPTSA status, the school may apply for SIA status where there is a serious staffing difficulty.
 - (d) Teachers moving into a HPTSA school are entitled to elect to take either the transfer and removals provisions of this agreement, or any alternative transfer and removals provisions or grants which may from time to time be offered by the Ministry of Education and for which they would be eligible, but not to both. On completion of a minimum of three years' continuous service in one or more HPTSA schools a teacher shall have access to the transfer and removal provisions of this Agreement when moving from this category of school to another teaching position in a state or integrated school.

- (e) In the event that a school is removed from the HPTSA coverage, teachers who were in receipt of the HPTSA prior to that change shall continue to receive the allowance until the end of the school year. Teachers who are so affected shall retain their entitlement to the transfer and removal provisions of this Agreement for a further three years.

4.14 Bus Controller's Allowance

- 4.14.1 A teacher appointed as bus controller for a school district who undertakes, in full, the bus controlling duties and responsibilities shall be paid the additional salary of \$3.61 per day for the first route and \$1.26 per day for each additional route. The allowance is not payable on a runback within a route nor where a bus makes a second trip over substantially the same route.

4.15 Acting Principal

- 4.15.1 When a permanent teacher relieves in the position of principal in the same school for a period of more than two weeks, payment for the period concerned shall be an allowance representing the difference between her/his salary and the minimum rate applicable to the principal's position but shall not be less than the rate of salary in the teacher's own permanent position.
- 4.15.2 When a permanent teacher(s) relieves in the position of principal in the same school because the principal has been released to undertake the functions of the Kāhui Ako Leadership role they shall be paid an allowance from the date they began the additional functions, provided that;
 - (a) they will be undertaking the additional functions for a cumulative period of more than two weeks; and

- (c) Allowable service comprises: Service in state schools (including kindergartens) in New Zealand; New Zealand Government service; teacher training which commenced in 1980 or earlier; active military service; service on the staff of New Zealand universities and service as a teacher on an official government exchange scheme, and in any government sponsored scheme.

Temporary allowances payable for a period less than 12 months are excluded from the calculation of the grant.

PART FIVE: Hours of Work

5.1 General

- 5.1.1 As well as the number of classes a teacher may be timetabled to teach, the hours of work of individual teachers are influenced by factors such as:
- (a) The preparation, evaluation and assessment time that may be generated by those classes and the students within them or by other requirements such as external examination prescriptions or the need to report on the progress of individual students;
 - (b) The counselling and pastoral needs of students;
 - (c) The administrative responsibilities of individual teachers either in respect of their curriculum or pastoral responsibilities or in respect of the general administration of the school; and
 - (d) The responsibilities of individual teachers arising from their appointment to a Kāhui Ako Teacher role;
 - (e) The extent to which individual teachers may participate in the extra-curricular programmes of the school.
- 5.1.2 For the foregoing reasons the parties to this agreement further acknowledge and accept that the hours of opening of schools, the structure of the timetables and like matters are designed to meet the curriculum and pastoral needs of students and are determined within each school according to well-understood national guidelines or specific legal requirements.
- 5.1.3 The clauses which follow identify the guidelines and requirements upon which the decisions in individual schools are made.

5.1A Timetabling Policy

- 5.1A.1 Each employer must have a policy on timetabling, developed in consultation with its teaching staff. This policy shall incorporate:
- (a) The non-contact entitlements of 5.2.3 to 5.2.6 below as relevant for the type of school;
 - (b) Class size matters, including the class size provisions of clause 5.9 below;
 - (c) Reference to other matters, including hours of duty outside of timetabled hours, which impact on timetabling practices;
 - (d) A process providing for circumstances where, for genuine reason during timetabling or at short notice, it is not possible to provide the non-contact time entitlements described in 5.2.3(a), 5.2.4(a), 5.2.5(a) and 5.2.6(b) and where the employer has used reasonable endeavour and is unable to achieve the class size provision in 5.9.2.

5.2 Non-Contact Time

- 5.2.1 The non-contact time allocations for secondary teachers are an acknowledgement of the importance to quality education of the duties other than classroom teaching (such as those referred to in 5.1.1(a to d) above) which teachers are required to undertake while schools are open for instruction.
- 5.2.2 For the purposes of 5.2, non-contact time is based on individual teachers' timetabled hours comprising a total of 25 hours or a combination of periods of time equivalent to 25 hours per week.
- 5.2.3
- (a) The employer shall provide five timetabled non-contact hours within each school week to each full-time teacher subject to 5.1A above. The non-contact time may be a combination of differing periods of time which total no less than the equivalent of five non-contact hours.
 - (b) The individual time allowances provided under clause 3.7 (Te Atakura), 3.8 (Beginning Teacher), 3.8A (Head of Department Beginning Teacher Time Allowance) and 3.8B (Specialist Classroom Teacher) of this Agreement shall be in addition to the non-contact time entitlements above.

5.2.4 Specialist Secondary Teachers of Technology

Specialist secondary teachers of technology who come within the coverage in clause 1.4(a).

- (a) The employer shall timetable each full-time specialist secondary teacher of technology for no more than 20 contact hours within each school week subject to 5.1A above. The contact time may be a combination of differing periods of time which total no more than the equivalent of twenty contact hours.
- (b) The maximum classroom contact hours of each full time specialist secondary teacher of technology provided above shall be reduced by any individual time allowances provided under clause 3.8 (Beginning Teacher) of this Agreement.

5.2.5 Permanent Unit Holders

- (a) The employer shall provide as a minimum the following non-contact time entitlement to each teacher allocated permanent unit(s) in addition to the non-contact time entitlements set out in 5.2.3 and 5.2.4:
 - (i) one hour per week for holders of one permanent unit;
 - (ii) two hours per week for holders of two permanent units; and
 - (iii) three hours per week for holders of three or more permanent units.
- (b) The non-contact time allocations expressed in 5.2.5(a)(i-iii) are minimum entitlements. For the fourth and subsequent permanent unit(s) the employer will endeavour to provide one hour for each additional permanent unit. The employer may continue to provide additional non-contact time above this for senior management positions in accordance with school policies.
- (c) The individual time allowances provided under clause 3.7 (Te Atakura), 3.8 (Beginning Teacher), 3.8A (Head of Department Beginning Teacher Time Allowance) and 3.8B (Specialist Classroom Teacher) of this Agreement shall be in addition to the non-contact time entitlements above. The Beginning Teacher Time Allowance (Clause 3.8) is calculated before the non-contact time entitlements are calculated.

5.2.6 Part-time Teachers

The timetabled hours of part-time teachers shall be determined according to the following provisions. Attention is drawn to clause 4.5.1 which sets out the basis of the establishment of a part-time teacher's FTTE proportion as the sum of their timetabled class contact hours and any allocated timetabled non-contact time.

- (a) The employer will endeavour to provide non-contact time for part time teachers who are employed between 0.48 FTTE and 0.89 FTTE to allow such teachers non-contact time that is proportionate to that provided to full-time teachers (five hours per week under clause 5.2.3). The timetabled non-contact time outlined in the table in (b) shall continue to operate as a minimum entitlement.
- (b) The minimum timetabled non-contact time of part-time teachers (including specialist secondary teachers of technology who come within the coverage in clause 1.4(a)) subject to 5.1A is outlined in the table below:

FTTE	Minimum timetabled non-contact hours per week
0.89	3.0
0.87 – 0.88	2.5
0.85 – 0.86	2.0
0.83 – 0.84	1.5
0.75 – 0.82	1.0
0.72 – 0.74	0.5
Below 0.72	None

- (c) The placement of each part-time teacher's timetabled non-contact hours within the timetable shall be in discussion with the individual teacher and recognise the distribution of the individual's timetabled class contact hours. The teacher is required to be available in the school during their timetabled non-contact time.
- (d) Nothing in (a) – (c) above shall operate to reduce current agreements around the proportion of a full-time position to which a part-time teacher is appointed. Fixed-term arrangements with respect to all or part of a part-time teacher's hours of work shall continue according to their current basis, including any agreement to revision of these hours.
- (e) The individual time allowances provided under clause 3.7 (Te Atakura), 3.8 (Beginning Teacher), 3.8A (Head of Department Beginning Teacher Time Allowance), 3.8B (Specialist Classroom Teacher) and 5.2.5(a) (Permanent Unit Holders) of this Agreement shall be in addition to the non-contact time entitlements above.

5.2.7 Inquiry time

A board in an approved Kāhui Ako will be entitled to allocate a number of hours of inquiry time in each school year which will be generated by the relevant Staffing Order. The board will determine the allocation of the inquiry time following consultation with its teaching staff and the person in the Kāhui Ako Leadership role.

5.4.2 The employer may require teachers to attend school or elsewhere when the school is not open for instruction for up to five days or equivalent per annum for all or any of the following purposes – school administration, preparation and coordination, departmental or related activities and community, parent and whanau contact and liaison. The employer will endeavour to arrange matters at the school in such a way that any requirement under this section is not unreasonable and that teachers' individual needs are taken into account. Teachers' own initiatives in undertaking work for the above purposes shall be counted when applying this clause.

5.4.3 Where teachers are required to attend school or elsewhere when the school is not open for instruction pursuant to 5.4.1 and 5.4.2 above, they shall be reimbursed for any actual and reasonable costs incurred.

Note: *This provision shall not apply to teachers in Te Aho o Te Kura Pounamu. The provisions applying to those teachers are contained in Part Eleven of this agreement.*

- 5.5.1 For each school the length of the “school day” shall be determined according to the requirement that students are normally required to be in attendance for two half days, one before noon, the other after noon.
- 5.5.2 The normal teaching load in respect of any one day is therefore related to that requirement and takes account of the normal timetabling practices of each school.

- 5.6.3 As noted in subclause 5.3.1(b) the 10 half days in any one week may include timetabled teaching time scheduled for a Saturday or a Sunday.

5.7 Length of School Year

- 5.7.1 Except where reduced by any lawful decision of the employer to close the school to students, the length of the school year for each school shall be determined according to the requirement that schools are required to be open for instruction at least 380 half days in any one calendar year.
- 5.7.2 The normal teaching load of teachers in respect of any one year is therefore related to that requirement.

5.8 Division of Year into Terms and Holidays

- 5.8.1 For the purposes of organising their educational programmes it is noted that schools are permitted to divide the school year into teaching terms and holidays (vacations) in accordance with Part 7 of the Education Act 1989.

5.9 Class size

- 5.9.1 Clause 5.1A requires each employer to have a policy on timetabling, developed in consultation with its teaching staff. This policy shall incorporate reference to class size.
- 5.9.2 It is expected that employers will use reasonable endeavour to achieve, for each individual teacher with more than one class, an average class size (based upon the teacher’s timetabled classes and the roll of each of those classes) of no more than 26 students and where this cannot occur 5.1A.1 (d) shall apply.
Note: *This does not preclude averages of less than 26 students.*

PART SIX: Leave

6.1 Eligibility

6.1.1 For the purpose of this section, teachers are divided into four categories:

- (a) Group 1 – this includes the following:
 - (i) Teachers appointed to full-time and part-time permanent positions;
 - (ii) Teachers appointed to long-term relieving or fixed-term full-time vacancies advertised in the *Education Gazette*.
- (b) Group 2 – this includes teachers available and eligible for future permanent appointments.
- (c) Group 3 – this includes all retired teachers and others available only for casual relieving work and employment in restricted localities.
- (d) Non-permanent part-time teachers.

6.1.2 Unless otherwise stated, only Group 1 teachers are entitled to the leave provided in this section.

6.2 Sick Leave

6.2.1 Eligibility

Except where otherwise specifically stated the following conditions apply to all teachers.

6.2.2 Entitlement

- (a) A teacher who is granted leave due to sickness or injury not arising out of or in the course of the teacher's employment shall be entitled to sick leave on pay for a period or periods not exceeding the amounts set out in the table below.

Length of service	Aggregated sick leave entitlement
Up to 3 months	7 days
Over 3 months and up to 6 months	14 days
Over 6 months and up to 9 months	31 days
Over 9 months and up to 5 years	46 days
Over 5 years and up to 10 years	92 days
Over 10 years and up to 20 years	154 days
Over 20 years and up to 30 years	229 days
Over 30 years	306 days

- (b) The amount of sick leave available shall be the teacher's aggregated sick leave entitlement set out in the table above, less the total amount of sick leave with pay the teacher has taken during their teaching service to date.
- (c) Notwithstanding clause 6.2.2(a) above, a short-term relieving teacher has a sick leave entitlement based on the aggregate of the service completed since their last date of permanent employment, where every 190 days or 950 hours of short-term relief service equals one year of sick leave service.
- (d) Where a teacher has exhausted their current entitlement set out in the table in clause 6.2.2(a):
 - (i) in each subsequent year the employer will allow the teacher to anticipate up to five days' paid sick leave.
 - (ii) in exceptional circumstances the employer may grant further anticipated sick leave with pay in excess of the entitlement set out in clause 6.2.2(a), provided that no extension is granted beyond the 306 days.
 - (iii) any anticipated sick leave taken under (i) or (ii) above will be deducted from the teacher's next entitlement under 6.2.2(a) when that entitlement becomes due.

- (e) Where a teacher has exhausted their entitlement set out in the table in clause 6.2.2(a) and has no future entitlement under 6.2.2(a), the teacher shall be granted sick leave in accordance with the Holidays Act 2003.

6.2.3 Service for sick leave purposes

- (a) The total period of the “length of service” which determines the teacher’s sick leave entitlement outlined in 6.2.2(a) shall be the aggregate of employment as a teacher in:
- (i) New Zealand state or state integrated school;
 - (ii) New Zealand free kindergarten association, university, or polytechnic;
 - (iii) Fiji, Cook Islands, Tonga, Western Samoa or Niue
- (b) The following teaching service is counted as full-time:
- (i) full-time service;
 - (ii) permanent part-time service;
 - (iii) non permanent part-time service that consists of employment for 20 hours or more per week.
- (c) Non-permanent part-time teaching service of less than 20 hours per week is assessed on the basis that 80 hours equals one month’s service or 1000 hours equals one year’s service.
- (d) Service in the New Zealand Public Service and/or Armed Forces may be converted to teaching sick leave entitlement on such terms as the Secretary for Education may agree. Deductions for sick leave taken from transferred New Zealand Public Service and/or Armed Forces service shall be converted to deductions from the teaching sick leave entitlement using the formula $T/P \times S = E$ where:
- T = Teachers’ sick leave entitlement on years of service;
 - P = Public Servants’ sick leave entitlement on years of service;
 - S = Sick Leave taken as a Public Servant;
 - E = Equivalent number of days of sick leave as if taken as a teacher.

Note 1: For the calculation of a teacher’s sick leave entitlement, the total period of a teacher’s “length of service” will continue to include employment as a teacher by a former education board, a secondary school board, a private school which has become integrated, a community college, a technical institute, a teacher’s college, the former Department of Education or an agricultural college.

Note 2: Service for sick leave purposes does not include:

- study time while a teacher is not employed in the education service, or when on leave without pay of more than 90 calendar days,
- teaching in private schools (except for teachers in private schools which become integrated,
- teaching overseas except in the Pacific countries listed in subclause 6.2.3(a)iii above,
- trade service, or
- service as a member of the armed forces of another country.

6.2.4 Granting sick leave

- (a) The employer shall grant sick leave on pay with the following conditions:
- (i) While a medical certificate will not normally be required for leave of up to five days, where it is considered warranted, an employer may require a teacher to produce a medical certificate or other evidence satisfactory to the employer.
 - (ii) For sick leave within three consecutive calendar days (whether or not the days would otherwise be working days for the teacher) the employer may inform the teacher that proof of sickness or injury is required and, if so, the employer will agree to meet the employee’s reasonable expenses in obtaining the proof.
 - (iii) When a period of sick leave exceeds five school days a medical certificate from a registered medical or dental practitioner must be provided to the employer. If the teacher cannot obtain a medical or dental certificate other evidence satisfactory to the employer may be provided.

- (iv) When a period of sick leave exceeds 14 days an employer may require the teacher to provide a medical certificate from a registered medical or dental practitioner stating the expected date the teacher will be able to return to work. The employer may require the teacher to provide further medical certificates should the sick leave continue beyond the expected date of return stated in this or subsequent medical certificates.
- (v) When a period of sick leave exceeds 14 days the employer may require the teacher to obtain a second medical opinion from an independent registered medical or dental practitioner nominated by the employer and agreed to by the teacher provided that such agreement shall not be unreasonably withheld. The cost of a second medical opinion will be met by the employer.

6.2.5 Deduction from sick leave entitlement

- (a) Full-time teachers will have sick leave deducted from the entitlement set out in clause 6.2.2(a) above as follows:
 - (i) where the period of absence does not exceed five consecutive school days the days of absence are deducted i.e. intervening Saturday or Sunday do not count as leave.
 - (ii) where the period of absence exceeds five consecutive school days the continuous days are deducted i.e. all intervening weekends count as leave.
 - (iii) public holidays and school vacations that fall during a period of paid sick leave do not count as leave.
- (b) Part-time teachers shall have each day of absence deducted as a full day from the entitlement in clause 6.2.2(a) above. The days to be deducted shall be only those days which would normally have been worked and shall not include any intervening free days except where the part-time teacher works on five days of the week when, as with full-time teachers, the intervening weekend days will be counted as sick leave.

6.2.6 Teachers temporarily working reduced hours on account of sickness

- (a) The employer may allow at its discretion a teacher who has been on sick leave to return to duty on a reduced hours basis if the teacher's doctor so recommends and provides a medical clearance, and there would be no staffing or timetabling problems for the school. This arrangement should not, however, normally be allowed to continue for more than six weeks. The provisions (b) to (e) below will apply.
- (b) The daily hours not worked are to be aggregated and debited against sick leave on the basis of a five-hour day. For example, where a full time teacher is present for:
 - (i) 20 timetabled hours in one week = 5 hours absent = 1 day sick leave debited
 - (ii) 17.5 timetabled hours in one week = 7.5 hours absent = 1.5 days sick leave debited
- (c) Whole days or half-days of absence are to be debited as whole or half-days.
- (d) When the absence is on account of injury by accident and earnings related compensation is payable to the teacher, normal pay is to continue and the Secretary for Education is to obtain reimbursement of earnings related compensation from the Accident Compensation Corporation in accordance with the usual procedures.
- (e) If the accident was work related there is no debit against sick leave entitlement. However, if the accident was non-work related, the sick leave entitlement is debited to the extent to which the salary payable for time actually worked plus the earnings related compensation is made up to give normal full salary (provided the teacher has a sick leave entitlement available).

6.2.7 Disregarded sick leave

- (a) Disregarded sick leave not exceeding an overall aggregate of two years shall be granted by the Secretary for Education where in the opinion of the Secretary one of the following conditions has been met:
 - (i) The sickness can be traced directly to the conditions or circumstances under which the teacher is working; or

- (ii) The injury occurred in the discharge of the teacher's duties through no fault of the teacher and where no payment has been made by the Accident Compensation Corporation; or
 - (iii) The teacher has contracted a notifiable disease which requires the teacher to be excluded from school for a period prescribed under Schedule 2 of the Health (Infectious and Notifiable Diseases) Regulations 1966 or for a period determined by a Medical Health Officer; or
 - (iv) The teacher has contracted hepatitis or tuberculosis, where the period of disregarded sick leave is the time that the teacher's treating registered medical practitioner decides is necessary for the teacher to remain away from school; or
 - (v) The absence was due to war injury or service.
- (b) Where sick leave has been deducted for any period granted as disregarded sick leave under 6.2.7(a)(i) to 6.2.7(a)(v) above, the sick leave will be reinstated.
 - (c) Disregarded sick leave is additional to any period of absence on account of sickness or injury to which the teacher is entitled with full salary in accordance with the scale set out in clause 6.2.2 above.
 - (d) Fixed term or relieving teachers shall only be granted disregarded sick leave, as provided for in 6.2.7(a) above, where they have been in continuous employment before the date of application.

6.2.8 Holiday pay deductions

- (a) Holiday pay is not reduced for periods of sick leave with pay
- (b) When teachers have used their current sick leave entitlement holiday pay may be reduced for periods of sick leave without pay on the following conditions:
 - (i) No deduction is to be made from the holiday pay of teachers for periods of sick leave without pay for periods not exceeding 90 calendar days in any one school year.
 - (ii) Where the total amount of sick/accident leave without pay is in excess of 90 calendar days the deduction is based on the period subsequent to the initial 90 calendar days. The initial 90 calendar days are unaffected.
- (c) Teachers with a current sick leave entitlement who apply to receive sick leave without pay will have holiday pay reduced in proportion to the unpaid leave taken (as per clause 4.8.3) and should be advised of this when notified of the approval of sick leave without pay.
- (d) Clause 6.2.8b above will apply to all fixed term or relieving teachers who have completed at least 90 calendar days continuous service.

6.3 Parental Provisions

6.3.1 The teacher is entitled to take parental leave under the Parental Leave and Employment Protection Act 1987 (PLEPA). In addition to the teacher's rights under the PLEPA the following shall apply:

- (a) Parental leave may commence at any time during the pregnancy subject to the teacher giving the employer one month's notice in writing, supported by a medical certificate. A shorter period of notice will be accepted on the recommendation of a medical practitioner. The teacher can take up to 12 months unpaid leave from the date of birth, or in the case of adoption, whangai or Home for Life placement of a child under the age of six years, from the date the teacher becomes the primary carer.
- (b) A teacher with 12 months or more service shall be entitled to up to a further 12 months' unpaid leave (bringing the total entitlement to a maximum of 24 months' continuous leave including leave taken prior to the birth of the teacher's child) subject to notifying their employer in writing of their intention to take this leave within 9 months from the date of commencing leave under 6.3.1(a);

- (c) The teacher's position will be held open, subject to the surplus staffing provisions of 3.9 of this Agreement, for the duration of their parental leave. If a relieving teacher is employed it will be a condition of the relieving appointment that it will be terminated by the employer concerned within one month from the date that the permanent incumbent gives notice of their intention to return to work early. A teacher must give their employer at least one month's notice if it is their intention to return to work before their parental leave expires. This provision shall not apply in the case of a teacher who has had a miscarriage or a stillborn child. In such cases the teacher may elect to return to work immediately.
- (d) A teacher intending to resign because of pregnancy must be advised of their right to take parental leave.

Note: *Employment as a long term reliever covering a teacher on parental leave does not generate an entitlement to permanency in the event that the teacher on leave resigns.*

6.3.2 Parental Grant

A teacher who takes parental leave in order to be the primary carer, or resigns due to pregnancy, is entitled to a payment equal to 6 weeks' salary calculated at the rate applicable in the teacher's last full working week prior to the commencement of their leave or date of resignation. The payment is not pro-rated if the teacher takes less than 6 weeks' leave. The grant is payable following production of a birth certificate or suitable evidence of placement.

Primary carer means:

The biological mother of the child, or their spouse or partner, where they take primary responsibility for the care, development, and upbringing of the child during the first six weeks of parental leave.

In the case of adoption, whangai or Home for Life placement, the person who takes permanent primary responsibility for the care development and upbringing of the child.

6.3.3 Sick Leave During Pregnancy and while on Parental Leave

Periods of illness due to pregnancy prior to the birth may be charged against the teacher's sick leave entitlement. Normal rules for sick leave with regard to production of a medical certificate apply. Once the teacher has commenced parental leave, any day(s) of sickness must be leave without pay and in no circumstances may a teacher have an absence during or following the birth of the child credited against her sick leave entitlement.

6.3.4 Leave to Attend Partner at Birth of their Child

- (a) Permanently appointed teachers will be granted two days paid leave to attend their partner at the birth of their child.
- (b) Reasonable notice must be provided to the employer before and at the time of the teacher taking leave.

6.4 Bereavement/Tangihanga Leave for Death in New Zealand or Overseas

6.4.1 Teachers shall be granted leave with pay to allow a reasonable opportunity to discharge their obligations and/or to pay their respects to a deceased person with whom they have had a close association. Such obligations may exist because of blood or family ties or because of particular cultural requirements such as attendance at all or part of a tangihanga (or its equivalent).

6.4.2 In granting time off therefore, and for how long, the following points must be taken into account:

- (a) The closeness of the association between the teacher and the deceased; (**Note:** *This association need not be a blood relationship.*)
- (b) Whether the teacher has to take significant responsibility for any or all of the arrangements to do with the ceremonies resulting from the death;
- (c) The amount of time needed to discharge properly any responsibilities or obligations;
- (d) Reasonable travelling time should be allowed, but for cases involving overseas travel that may not be the full period of travel;

- (e) A decision must be made as quickly as possible so that the teacher is given maximum time possible to make any arrangements necessary. In most cases the necessary approval will be given immediately, but may be given retrospectively where necessary;
- (f) If paid special leave is not appropriate then leave without pay should be granted.

6.4.3 If a bereavement occurs while a teacher is absent on annual leave, sick leave with pay, or other special leave with pay, such leave may be interrupted and bereavement leave granted in terms of clauses 6.4.1 and 6.4.2 above. This provision will not apply if the teacher is on leave without pay.

 - (b) The employer's ability to find a suitable reliever to fill the vacancy created by the teacher taking the leave. A suitable reliever is a teacher who will be able, to the satisfaction of the employer, to relieve in the school during the period of the teacher's leave. The employer shall use reasonable endeavour to find a suitable reliever. Reasonable endeavour in this context means accessing the usual pool of relievers, advertising locally if necessary, and does not mean advertising regionally or nationally, except as required in this agreement. It does not require the employer to place more than one advertisement; and
 - (c) The teacher not being subject to current competence or disciplinary processes under this agreement or previous agreement or employment contract at the time that leave is sought; and
 - (d) The maximum number of teachers who can be on refreshment leave at any one time in a school is calculated as follows:

Number of teachers in the school	Maximum number of teachers who may be on refreshment leave at any one time
Up to 15 teachers	Two teachers on leave
16 to 21 teachers	Three teachers on leave
22 or more teachers	Four teachers on leave

Where more than the maximum number of teachers in the school request refreshment leave, priority will be dependent on the length of service of the individual teachers in the school.

- (e) A teacher in receipt of the allowance for the Kāhui Ako Teacher (across community) role may apply for refreshment leave to be taken while they hold that role provided the duration of the leave is no more than one term and that any application for the leave has the support of their employing board which shall consider the needs of the wider Kāhui Ako.
Note: A teacher in receipt of the allowance for the Kāhui Ako Teacher (across community) role may apply in their last year of tenure in the role for their full entitlement to refreshment leave which is to be taken in the following school year.

6.7.3 Time off on refreshment leave will count as service for the purpose of salary increments, long service and severance calculations. It will not count for the purposes of sick leave or holiday pay calculations or for entitlement to public holidays.

6.7.4 Teachers on refreshment leave of greater than one term who are eligible for an annual increment during the period of their leave shall not require attestation for that increment providing their previous two attestations were satisfactory.

6.7.5 A teacher may not take up a teaching position in another state or integrated school while on refreshment leave. This restriction does not preclude a teacher on refreshment leave agreeing to undertake occasional day-relief duties.
Note: The qualifying periods set out in 6.7.1 for refreshment leave relate solely to this provision and do not apply to any other forms of leave.

6.8 Other Forms of Leave

- 6.8.1 Nothing in this agreement limits the facility for teachers to apply to the employer for leave with or without pay in any circumstance not specified.

6.9 Travelling Time for Leave Purposes

- 6.9.1 Where specifically approved in this agreement (and including teachers at in-service courses and on outdoor education) travelling time with pay for a period of up to seven days (exclusive of public holidays) may be granted subject to the following conditions:
- (a) Leave for travelling can only be granted if the teacher is required to travel when the school is open;
 - (b) The quickest and most direct means of travel shall be used;
 - (c) No travelling time is granted for a journey that is preceded by leave without pay or for a return journey that is followed by a period of leave without pay.

6.10 Leave Records

- 6.10.1 Leave records for teachers should clearly indicate all sick leave, leave without pay, periods of special leave and periods during which accident compensation may be granted.

6.11 Leave Calculation Rules

- 6.11.1 The rules for calculating leave are set out in Appendix E.

6.12 Domestic Violence Leave

- 6.12.1 Leave as provided for by the Domestic Violence Victims Act 2018 is in addition to other leave allowances within this collective agreement.

Note 1: *The leave provisions set out in this Part of the Agreement shall be applied in accordance with any administrative conditions that were in effect at the commencement of this Agreement. Nothing in these provisions shall be read as extending any entitlement beyond that which existed at the commencement of this Agreement except as may be expressly agreed to by the Secretary for Education after consultation with the Association.*

Note 2: *The parties acknowledge that the leave provisions of this Agreement (and their administration) operate to provide entitlements equal to, or in excess of, those provided under the Holidays Act 2003. To this extent the parties agree that current administrative practices will continue to operate and, for clarity, teachers will take their annual leave outside the gazetted term dates.*

PART NINE: Employment Relationship Problem Resolution Provisions

Personal grievances and disputes shall be addressed in accordance with the provisions of Part 9 of the Employment Relations Act 2000.

9.1 Employment Relationship Problem Resolution Services

The following is a plain language explanation of the employment relationship problem resolution services.

What is an employment relationship problem? It is a problem between employee and employer. For example, it might be a personal grievance or a dispute about a provision in an employment agreement.

Resolving an employment relationship problem The employee and employer should first make a reasonable effort to discuss the problem and settle it by mutual agreement. (If it's a personal grievance, it must first be raised with the employer and within 90 days - Personal Grievances are explained further below).

An employee (or employer) has the right to be represented at any stage.

When a problem arises, union members should contact their local NZPPTA field officer for advice and representation.

Employers should contact their local NZSTA adviser or other representative of their choice.

Personal Grievances A personal grievance is a particular type of employment relationship problem that normally must be raised with the employer within 90 days of the grievance arising. An employee may have a personal grievance where:

- They have been dismissed without good reason, or the dismissal was not carried out properly.
- They have been treated unfairly.
- Their employment or a condition of their employment has been affected to their disadvantage by an unjustified action of their employer.
- They have experienced sexual or racial harassment, or have been discriminated against because of their involvement in a union or other employee organisation, or have suffered duress over membership or non-membership of a union or other employee organisation.
- They have been discriminated against in terms of the prohibited grounds of discrimination under the Human Rights Act 1993.

Note: *The full meaning of the terms personal grievance, discrimination, sexual harassment, racial harassment, and duress, shall be the meaning given by sections 103 to 110 inclusive of the Employment Relations Act 2000.*

As with other employment relationship problems, the parties should always try to resolve a personal grievance through discussion.

Either party can refer a personal grievance to the Employment Relations Service of the Ministry of Business, Innovation and Employment for mediation assistance, or to the Employment Relations Authority.

If the problem relates to a type of discrimination that can be the subject of a complaint to the Human Rights Commission under the Human Rights Act 1993, the person can either take a personal grievance, or complain to the Human Rights Commission, but not both. If in doubt, advice should be sought before deciding.

Services Available To help resolve employment relationship problems, Employment New Zealand provides:

- **An information service** - This is free. It is available by contacting Employment New Zealand or by phoning toll free 0800 209020. The Employment New Zealand Relations Service's internet address is www.employment.govt.nz.

- Mediation Service** - The Mediation Service is a free and independent service available through the Ministry of Business, Innovation and Employment. This service helps to resolve employment relationship problems and generally to promote the smooth conduct of employment relationships.

Mediation is a mutual problem-solving process, with the aim of reaching an agreement, assisted by an independent third party.

If the parties can't reach a settlement they can ask the mediator, in writing, to make a final and binding decision.

A settlement reached through mediation and signed by the mediator at the request of the parties is final, binding and enforceable. Neither party can then take the matter any further and, either party can be made to comply with the agreed settlement by court order.

If the problem is unresolved through mediation either party may apply to have the matter dealt with by the Employment Relations Authority.
- The Employment Relations Authority** - This Authority is an investigative body that operates in an informal way. It looks into the facts and makes a decision on the merits of the case and not on the legal technicalities.

Either an employer or an employee can refer an unresolved employment relationship problem to the Authority by filing the appropriate forms.

The Authority may call evidence, hold investigative meetings, or interview anyone involved. It can direct the parties to try mediation. If mediation is unsuitable or has not resolved the problem, the Authority will make a decision that is binding on all parties. Any party can contest the Authority's decision through the Employment Court.

***Note:** All employment relationship problems, including personal grievances and any dispute about the interpretation or application of this agreement, must be resolved under Parts 9 and 10 of the Employment Relations Act 2000.*

9.2 Personal Grievances

Sections 103 to 105 and 107 to 110 are reproduced below from Part 9 of the Employment Relations Act 2000.

103 Personal Grievance

- (1) For the purposes of this Act, **personal grievance** means any grievance that an employee may have against the employee's employer or former employer because of a claim –
- that the employee has been unjustifiably dismissed; or
 - that the employee's employment, or 1 or more conditions of the employee's employment (including any condition that survives termination of the employment), is or are or was (during employment that has since been terminated) affected to the employee's disadvantage by some unjustifiable action by the employer; or
 - that the employee has been discriminated against in the employee's employment; or
 - that the employee has been sexually harassed in the employee's employment; or
 - that the employee has been racially harassed in the employee's employment; or
 - that the employee has been subject to duress in the employee's employment in relation to membership or non-membership of a union or employees organisation; or
 - that the employee's employer has failed to comply with a requirement of Part 6A; or
 - that the employee has been disadvantaged by the employee's employment agreement not being in accordance with section 67C, 67D, 67G, or 67H; or
 - that the employee's employer has contravened section 67F or 67G(3).

- (j) that the employee's employer has, in relation to the employee,—
 - (i) engaged in adverse conduct for a prohibited health and safety reason; or
 - (ii) contravened section 92 of the Health and Safety at Work Act 2015 (which prohibits coercion or inducement).
- (2) For the purposes of this Part, a **representative**, in relation to an employer and in relation to an alleged personal grievance, means a person-
 - (a) who is employed by that employer; and
 - (b) who either –
 - (i) has authority over the employee alleging the grievance; or
 - (ii) is in a position of authority over other employees in the workplace of the employee alleging the grievance.
- (3) In subsection (1)(b), unjustifiable action by the employer does not include an action deriving solely from the interpretation, application, or operation, or disputed interpretation, application, or operation, of any provision of any employment agreement.

103A Test of justification

- (1) For the purposes of section 103(1)(a) and (b), the question of whether a dismissal or an action was justifiable must be determined, on an objective basis, by applying the test in subsection (2).
- (2) The test is whether the employer's actions, and how the employer acted, were what a fair and reasonable employer could have done in all the circumstances at the time the dismissal or action occurred.
- (3) In applying the test in subsection (2), the Authority or the court must consider—
 - (a) whether, having regard to the resources available to the employer, the employer sufficiently investigated the allegations against the employee before dismissing or taking action against the employee; and
 - (b) whether the employer raised the concerns that the employer had with the employee before dismissing or taking action against the employee; and
 - (c) whether the employer gave the employee a reasonable opportunity to respond to the employer's concerns before dismissing or taking action against the employee; and
 - (d) whether the employer genuinely considered the employee's explanation (if any) in relation to the allegations against the employee before dismissing or taking action against the employee.
- (4) In addition to the factors described in subsection (3), the Authority or the court may consider any other factors it thinks appropriate.
- (5) The Authority or the court must not determine a dismissal or an action to be unjustifiable under this section solely because of defects in the process followed by the employer if the defects were—
 - (a) minor; and
 - (b) did not result in the employee being treated unfairly.

104 Discrimination

- (1) For the purposes of section 103(1)(c), an employee is **discriminated against in that employee's employment** if the employee's employer or a representative of that employer, by reason directly or indirectly of any of the prohibited grounds of discrimination specified in section 105, or by reason directly or indirectly of that employee's refusal to do work under section 28A of the Health and Safety in Employment Act 1992, or involvement in the activities of a union in terms of section 107 –
 - (a) refuses or omits to offer or afford to that employee the same terms of employment, conditions of work, fringe benefits, or opportunities for training, promotion, and transfer as are made available for other employees of the

- same or substantially similar qualifications, experience, or skills employed in the same or substantially similar circumstances; or
 - (b) dismisses that employee or subjects that employee to any detriment, in circumstances in which other employees employed by that employer on work of that description are not or would not be dismissed or subjected to such detriment; or
 - (c) retires that employee, or requires or causes that employee to retire or resign.
- (2) For the purposes of this section, **detriment** includes anything that has a detrimental effect on the employee's employment, job performance, or job satisfaction.
- (3) This section is subject to the exceptions set out in section 106.

105 Prohibited grounds of discrimination for purposes of section 104

10.3 Association Deductions

- 10.3.1 In accordance with authorities signed by individual teachers the employer shall arrange for the deduction of the Association subscription then applying and remit the sum so deducted to the Association.
- 10.3.2 The commission payable by the Association shall be 2.5% (two and one-half per cent) of the aggregate sum of the amount so deducted.

10.4 Paid Union Meetings [s.26 Employment Relations Act 2000]

- 10.4.1
- (a) The employer must allow every union member employed by the employer to attend at least 2 union meetings (each of a maximum of 2 hours' duration) in each calendar year after the calendar year 2000.
 - (b) The union must give the employer at least 14 days' notice of the date and time of any union meeting to be held.
 - (c) The union must make such arrangements with the employer as may be necessary to ensure that the school remains open for instruction during any union meeting, including, where appropriate, an arrangement for sufficient union members to remain available during the meeting to enable the school to remain open for instruction.

PART ELEVEN: Te Aho o Te Kura Pounamu (Correspondence School)

11.1 General

11.1.1 Except as is expressly provided otherwise in this Part the terms and conditions of employment of secondary teachers in Te Aho o Te Kura Pounamu (Te Kura) are those set out in this agreement.

11.2 Hours of Work

11.2.1 In order to carry out their duties in terms of this agreement it may be necessary for teachers to work for more than 40 hours per week. The normal hours of work for teachers however should, as far as practicable, not exceed 40 hours per week Monday to Friday.

11.2.2 Teachers are normally required to be present on the site for at least 35 of their working hours per week. These hours may be worked between 7.00am and 6.00pm daily from Monday to Friday inclusive, with a required core attendance time of 9.00am to 3.00pm. A lunch break of one hour is to be taken generally between the hours of 12.00noon and 2.00pm (unless agreed otherwise) provided that the timing of the lunch break does not interfere with operational activities.

11.2.3 Where, with the agreement of the employer, a teacher works flexible hours the teacher may be required to keep a record of attendance.

- (a) Without limiting any of the other provisions of this agreement, the school may request the services of a teacher during a vacation period for a total of up to five days in any 12 month period.
- (b) The employer will provide the teacher with reasonable notice of a request under clause 11.2.3(a) and wherever possible will take the needs of the individual teacher into account.

11.3 Procedures for Determining Surplus Staffing

11.3.1 The provisions below replace Clauses 3.9-3.9.9 of this agreement. These provisions apply only to an employee appointed as a permanent secondary teacher at Te Kura .

Note: *Trained beginning teachers in their first year have absolute protection and their positions cannot be considered for disestablishment.*

11.3.2 Analysis of Staffing Requirements

- (a) Analysis of staffing requirements must be initiated when one or more of the following events indicates to the employer that it may need to reduce or restructure its teaching staff
 - (i) Reorganisation, sale, transfer, change of class, merger or closure of the School, and/or
 - (ii) Change in funding allocated to the Board of Trustees, and/or
 - (iii) Change in student roll numbers as identified through trends and estimates, and/or
 - (iv) Change in secondary staffing functions, including:
 - (a) Staffing required to provide teaching and student support services
 - (b) Staffing required for cross school distance education functions
- (b) In the event an analysis is initiated, the employer shall prepare a consultation document outlining the analysis and potential staffing impacts and provide it to employees, including middle management, and the union for their feedback allowing a period of at least three school weeks.
- (c) The employer shall attempt to meet any staffing reduction required through the non-replacement of employees who die, retire, resign, transfer or are promoted. The employer will adopt a policy of reviewing vacancies when staff surpluses are expected to arise whereupon a partial or complete freeze will be placed on recruiting new permanent employees and/or promotions.

- (d) During the consultation process the following voluntary options, as defined in clause 11.3.5, will be made available to all employees on written advice from the employer. The employer shall not be bound to agree to any voluntary offer:
 - (i) Supernumerary employment
 - (ii) Agreed retraining programme
 - (iii) Severance payment

The employer's decision shall be final. In the case of employees who are job sharing this clause will only apply where both employees volunteer for the options.
- (e) Following consideration of employee input and the effect of attrition and uptake of voluntary options the employer shall provide a second consultation document which shall include a more detailed analysis that identifies any need to reduce staffing or alter the status of positions. It will also identify the number of permanent full-time teaching equivalent positions which may be disestablished and/ or the permanent teaching positions allocated permanent units that may have their units reduced. Employees shall be given a minimum of an additional three school weeks in which to consider and respond to the detailed consultation document. Should the parties agree, the second period of consultation may be shortened or omitted.
- (f) At the conclusion of the consultation period, the employer shall consider employee feedback and the effect of further attrition and uptake of voluntary options and make adjustments to the analysis where appropriate. An analysis of staff feedback will be published to all employees of Te Kura covered by the Agreement, and to the Association.
- (g) Proposed changes shall not be put into effect until a minimum of 14 school weeks have elapsed from the publishing of the analysis referred to in (e) above.

11.3.3 Identification of Affected Employees

The employer after consultation with a nominee of the national executive of the PPTA will identify the teaching positions to be disestablished.

Where the number of permanent teaching positions required, are less than the number of teacher(s) currently holding those designated position(s), the teacher(s) will be identified as surplus in accordance with the following guidelines in the order stated:

- (i) Staffing function as described in 11.3.2(a)(iv) above.
- (ii) The tenure of the position(s) being considered; and
- (iii) The duration of service in Te Kura of teachers holding any positions being considered.

Note: *A judgement of whether the teacher is competent to teach is not one of the criteria for selection and should not be a consideration for disestablishment. Matters of competence shall be dealt with in terms of clause 3.3 of the agreement. The problem resolution provisions in Part Nine of this agreement are available to an employee who is aggrieved by any action of their employer taken under these provisions.*

11.3.4 Notice of Disestablishment

The employee shall receive, in writing, 12 school weeks' notice of disestablishment of their position. The teacher will be entitled to take all that time to make a decision on which option or options (as set out below) to take. If the teacher decides prior to the expiry of the 12 school week notice period to take the severance payment option, payment in lieu for the 12 school week notice period or part thereof may be made at the employer's discretion.

The employee will be entitled to choose an option from the following list of options, or may consult with the employer over any combination of the options:

- (i) Supernumerary employment
- (ii) Redeployment to a suitable alternative position which may involve a reduction in hours
- (iii) Agreed retraining programme
- (iv) Severance payment

11.3.5 Provisions Covering Surplus Staffing Options

The details on the options are as follows:

(1) Supernumerary Employment

Supernumerary employment is employment for a period of up to thirty (30) school weeks. An employee whose position is disestablished as a result of voluntary election or otherwise who has either elected to be employed as a supernumerary teacher, or who has not taken up any of the other options set out in clause 11.3.4 before the date of disestablishment, shall be entitled to supernumerary employment in accordance with the following provisions:

- (a) The employee will continue to be employed at her/his existing salary for a period of thirty (30) school weeks from the effective date of the disestablishment of the position (normally at the beginning of term one of the following year);
- (b) The employee may elect to take up her/his supernumerary employment at Te Kura or at any other school at the request of the employee and with the approval of both Te Kura and the board at the other school;
- (c) The employee will apply for suitable permanent vacancies at other schools;
- (d) The employer will encourage the employee to find a suitable alternative permanent teaching position and will meet the actual and reasonable expenses of attending interviews at other schools where prior approval is given;
- (e) If during the supernumerary period the employee applies for a permanent position of equal or lower status for which s/he is suitable at Te Kura, s/he shall be appointed to that position;
- (f) The employee's supernumerary employment shall cease upon the employee being appointed to a new teaching position or upon the employee choosing to resign or at the expiration of thirty (30) school weeks from the effective date of the disestablishment of the position, whichever is the earlier;
- (g) Where a supernumerary teacher is appointed to a new permanent teaching position and a transfer of location is involved, that employee shall be entitled to normal removal expense provisions provided that this entitlement shall be exercised once only for each supernumerary period;
- (h) Where a supernumerary teacher declines an offer of suitable appointment at the same salary from Te Kura, or applies for and declines an offer of appointment from another board, the employee's supernumerary status shall cease forthwith;
- (i) During any period of supernumerary employment an employee is entitled to any salary increments due;
- (j) During any period of supernumerary employment, the supernumerary teacher will continue to undertake appropriate teaching duties.

(2) Agreed Retraining Programme

Where an employee's position is disestablished as the result of voluntary election or otherwise the employee may elect to take an approved course of study that will enhance or upgrade the employee's skills in secondary teaching, student support services work, and/or in distance education functions, provided that:

- (a) The employee will continue to be employed at her/his existing salary for a maximum period of forty (40) school weeks from the effective date of the disestablishment of the position (normally at the beginning of term one of the following year);
- (b) The employee is employed as a supernumerary teacher during this period and has the rights and obligations of a supernumerary teacher except as specifically provided in this clause;
- (c) There is no requirement on the employer to meet any costs and expenses of training, including course fees;
- (d) The employee will provide evidence of attendance at the approved course of study where requested by the employer. The employer may make enquiries during the retraining period to establish that the employee is undertaking the approved course of study.

- (e) Where the approved course of study is for a shorter period than forty (40) school weeks, or where the course of study commences later than the effective date of disestablishment, the employee is required to attend the school as a supernumerary employee in periods when the school is open for instruction, except in special circumstances approved by the employer;
 - (f) Where the employee ceases to attend the course before its completion, further employment shall cease, except where the employer agrees that there was just cause for cessation of attendance and the employee shall return to the school as a supernumerary for the remainder of the retraining period.
- (3) **Severance Payment**
 The teacher may elect severance payment. In that case the teacher will receive a severance payment according to the table below:

Length of Service	Weeks of payment (ordinary pay)
Up to 3 years	7 weeks
Over 3 years and up to 5 years	15 weeks
5 years and up to 25 years	23 weeks
25 years and up to 30 years	25 weeks
30 years and over	30 weeks

- (a) The employee will be deemed to have supernumerary status for the period after disestablishment until severance payment is paid. During this period, the rights and obligations of a supernumerary teacher will apply.
- (b) For the purposes of calculating length of service for this clause only service as a teacher in a state or integrated school shall be counted. Non-permanent part-time service in a school other than Te Kura shall be calculated on the basis that 80 hours equals one month's service and 1000 hours equals one year's service. Where non-permanent part-time service consists of 20 or more hours per week it may be credited as full-time service. Te Kura non-permanent part-time service shall be credited on the basis of FTTE, and where service consists of 0.8 FTTE or greater it shall be credited as full-time service. For the purposes of this clause, service includes service credits for childcare where an employee resigned or took leave to care for her/his children, on the basis of one-third credit for each year of such leave up to a maximum of five years' credit.
- (c) Where an employee, having received a severance payment, commences permanent employment within a number of weeks which is less than the number of weeks of the payment received by the employee as a severance payment under this clause, the employee shall refund the difference between the number of weeks severance payment was received. Provided that, for the purposes of this clause, employment means employment as a teacher in a state or integrated school.
- (d) Any employee receiving the severance payment will be deemed to have been paid in full for service to that date for the purpose of calculating service for any future sick leave, severance or long-service payment entitlements.
- (e) Pay for employees shall be defined as:
 - (i) Ordinary pay is defined as basic taxable salary, plus regular taxable allowances paid on a continuous basis at the effective date of disestablishment of the position. For employees on leave without pay, ordinary pay shall be the ordinary pay at the time of taking leave;
 - (ii) For full-time employees, "weekly" pay shall be 7/365 of ordinary pay;
 - (iii) For part-time employees, "weekly" pay shall mean the employee's average weekly earnings for the previous six/twelve months (whichever is more favourable to the employee).

11.3.6 Teachers in Positions of Responsibility

If, after the operation of clause 11.3.2, positions are to be changed in status, the employer, after consultation with a nominee of the national executive of the Association, will identify the positions to be reduced in status in accordance with the following guidelines in the order stated:

- (a) The balance of the distribution of the units among all areas of responsibility and will take cognisance of the staffing requirements of the School as defined in clause 11.3.2(a)(iv);
- (b) Duration of service in the School of teachers holding any positions being considered.

Any teacher who holds a position of responsibility or a position as an assistant or deputy principal and that position is about to have a reduction in status and who applies for the new reduced position as advertised at its new status shall be appointed to that position unless in the meantime the teacher has been appointed to another permanent position. The teacher shall continue to be paid at the salary s/he was receiving immediately prior to the reduction for a period of one year so long as s/he continues to hold that position. This provision is not applicable to the holder of a fixed-term position of responsibility. During any period of salary protection an employee is entitled to any salary increments due.

11.4 Off-Site Allowance

11.4.1 The provisions below replace Clause 7.3 of this agreement.

11.4.2 All employees on official Te Kura business where meals are provided by the employer and who are not receiving the travelling allowance set out in Clause 7.1 and Appendix D shall be paid a \$15.00 per night off-site allowance for each night spent away from home.

11.4.3 When as a result of such business an employee is unable to return to home or the school (whichever is appropriate) until after 1pm on the final day, but there is no need to stay away for a further night, then the employee shall be entitled to an \$8.00 off-site allowance in respect of that final day.

11.4.4 Recipients of the off-site allowance are not entitled to the incidentals allowance.

11.5 Management Allowances

11.5.1 For an employee appointed as secondary teacher at Te Kura, these provisions below replace clauses 4.3A.1 to 4.3A.9 of this agreement.

11.5.2 The employer shall determine annually the allocation of 100 Management Allowances following consultation with the secondary teaching staff.

11.5.3 Secondary teachers who have a designated curriculum or pastoral management responsibility will be eligible to receive Management Allowances.

11.5.4 At least 85% of the school's Management Allowances must be allocated to secondary teachers with units who have designated curriculum or pastoral management responsibilities.

11.5.5 An individual secondary teacher may be allocated no more than two (2) Management Allowances. In the event that the employer is unable, under these provisions, to fully allocate the 100 allowances referred to in 11.5.2 then the employer may allocate up to three (3) Management Allowances to any unit holder who meets the criteria in 11.5.3.

11.5.6 Up to 30% of the allowances may be allocated on a fixed term basis.

11.5.7 Each Management Allowance shall generate an additional salary payment of \$1,000 per annum.

11.5.8 Management Allowances are not divisible and the attached salary shall be paid at the substantive rate to both full-time and part-time teachers.

11.5.9 Where a teacher appointed to a position to which Management Allowances are allocated loses that position, or has the position altered in status, because of the application of the surplus staffing provisions in part eleven of this agreement, the salary protection arrangements in clause 11.3.6 of these provisions shall apply. Provided that where the allocation has been made on a fixed-term basis the period of protection shall be for the lesser of the term agreed or for one year while the teacher continues to hold a position at the school.

PART TWELVE: Health and Safety

12.1 General

- 12.1.1 The parties recognise the importance of ensuring good and safe working conditions through Health and Safety in the workplace and that it is a mutual obligation of the employer and employees to achieve this through a representative, engagement and participative approach.
- 12.1.2 To this end, the employers' and employees' attention is drawn to the Health and Safety at Work Act 2015 and associated Regulations. This and other legislation, relevant Codes of Practice and Guidelines are the reference points for gaining a common understanding of what those obligations are, what will assist in meeting those mutual obligations and also in promoting best practice.
- 12.1.3 Where employees' health, safety or welfare is shown to be at risk in the carrying out of their duties the employer shall take all reasonably practicable steps to eliminate or minimise the identified risk for the employees and to do so in consultation with the relevant health and safety representatives, committees and authorities that may be identified.

12.2 Protective Clothing

- 12.2.1 Where the nature of a teacher's work in science laboratories and workshops is considered to be more than normally destructive to clothing, suitable protective clothing shall be issued.
- 12.2.2 Protective clothing may be issued on a permanent basis or on temporary loan as is decided by the employer.
- 12.2.3 Protective clothing issued on temporary loan shall be laundered at the employer's expense.

12.3 Safety Glasses

- 12.3.1 Where a teacher is considered to be working in an "eye danger" area the teacher shall receive a personal issue of standard neutral safety glasses which shall remain the property of the employer.
- 12.3.2 Where a teacher who ordinarily wears optical glasses at work is engaged on work in an "eye danger" area, the teacher shall be supplied for the time engaged on such work, with specially hardened neutral "clip on" type safety glasses to be worn over normal glasses, such "clip on" shall remain the property of the employer.

12.4 Immunisation

- 12.4.1 The Secretary for Education shall advise employers of their responsibility for the immunisation against Hepatitis B of those teachers who, because of the nature of their job may be significantly at risk, as advised by the Director General of Health.

APPENDIX A: Salary on Appointment

Note: *These provisions shall be applied in accordance with any administrative conditions that were in effect at the commencement of this Agreement. Nothing in these provisions shall be read as extending any entitlement beyond that which existed at the commencement of this Agreement except as may be expressly agreed to by the Secretary for Education after consultation with the Association.*

1. **General**

1.1. Salary on appointment depends on qualifications and credit for previous service as set out in 5 to 9 below.

Note: *The Ministry of Education verifies the level(s) of qualification(s) for salary purposes using information from the New Zealand Qualifications Authority and the Teaching Council of Aotearoa New Zealand.*

1.2. Service credits for salary purposes may be made up of teaching service in a New Zealand state or state integrated school (as outlined in 5.1 below), other teaching service (as outlined in 6.1-6.4 below), relevant work experience other than teaching (as outlined in 7.1 below) and/or childcare (as outlined in 8.1 below).

1.3. Except where clause 4.2.2(e) of Part 4 of this agreement applies for recent teacher education graduates, credit for each period of other teaching service, relevant work experience other than teaching, and childcare shall be calculated and credited only once, on appointment or reappointment to a teaching position in a New Zealand secondary school.

1.4. For salary credit purposes the following definitions will apply:

- Full credit means that each year of equivalent service (or part thereof) will count as one year (or part thereof) of teaching service.
- Half credit means that each year of equivalent service (or part thereof) will count as six months (or part thereof) of teaching service.
- One third credit means that each year of equivalent service (or part thereof) will count as four months (or part thereof) of teaching service.

2. **First appointment**

2.1. When a teacher is appointed to their first teaching position in a state or state integrated school the qualification group determines the entry point on the base salary scale. Service credits are added to that entry point to determine a teacher's salary on appointment.

3. **Reappointment after a break in service**

3.1. When a teacher returns to a teaching position in a New Zealand secondary school after a break their re-entry point on the base salary scale shall be the equivalent of the step held on the date of cessation.

3.2. Where the qualification group of a returning teacher is higher than the one previously held and the entry step for the new qualification group is higher than the step the teacher had progressed to at the date of cessation, the higher step shall be the teacher's entry point on the base salary scale.

3.3. Service credit, for service that has not already been credited, shall be added to that entry point to determine a teacher's salary on appointment.

4. **Improved qualifications for teachers in an ongoing appointment**

4.1. Teachers in current positions may request assessment of improved or additional qualification(s) as set out in 4.2.1(c) of Part 4 of this agreement.

5. **Teaching service in a state or state integrated school**

5.1. Unless otherwise stated, teaching service shall be the aggregate of service paid as a teacher in any New Zealand state or state integrated school, or as a qualified teacher employed within the Ministry of Education, the New Zealand Qualification Authority or the Education Review Office in a role to which their teaching service is relevant as follows:

- a. the aggregate of teaching service that is:
 - (i) full-time service – where permanent and/or non-permanent full-time and/or non-permanent part-time for 20 hours or more per week shall be counted as full time
 - (ii) non-permanent part-time teaching service of less than 20 hours per week, where 80 hours equals one month of full-time service or 1000 hours equals one year of full time service
 - (iii) all paid holidays, paid leave, periods of sick leave (with or without pay) and any period without pay during a holiday arising from periods of sick leave without pay
 - (iv) special leave without pay, not exceeding an aggregate of three months in any school year. Where a teacher completes verified recognised employment during special leave without pay, the teacher can receive salary credit for either the employment or the aggregate of leave without pay, but not both.

Note: *Where special leave without pay of more than three months is taken, and the teacher is not employed during that time in a position on which salary credit is allowable, any period of the leave in excess of three months will not count as service towards the teacher's next incremental date.*

6. **Other teaching service**

- 6.1. Other teaching service for salary purposes shall include an aggregate of all teaching service in the employment of:
 - a. a university
 - b. a registered initial teacher education provider
 - c. a polytechnic
 - d. a New Zealand registered private school
 - e. a free kindergarten association and/or registered teacher-led early childhood centre; and/or
 - f. an overseas school provided it was a state school or a school subject to state inspection subject to 6.3 below.
- 6.2. Full credit shall be granted where the service in 6.1(a) to (f) above was as a registered teacher or was a teacher who held the equivalent of a recognised New Zealand teaching qualification, otherwise where the service in 6.1(a) to (f) above was not as a registered teacher or evidence of registration cannot be provided, half credit shall apply.
- 6.3. Overseas teachers who gain registration through either the Teaching Council's comparable qualifications or core components pathways will be deemed to have met the requirements for registration from the date they completed that/those qualification(s). For the purposes of Appendix A clause 6.1, overseas teaching service will count from the date the NZQA deems those qualification(s) to have been completed. Relevant work experience (including overseas teaching service completed prior to that date) will be determined under Appendix A clause 7.1.
- 6.4. Overseas teachers who gain registration through the Teaching Council's discretionary pathway will be deemed to have met the registration requirements from the date registration is granted in New Zealand. Overseas teaching service completed after the date registration is granted in New Zealand will be determined under Appendix A clause 6.1 and relevant work experience (including overseas teaching experience completed prior to the date registration is granted in New Zealand) will be determined under Appendix A clause 7.1.

7. **Relevant work experience other than teaching**

- 7.1. Work experience other than teaching, attested by the employer as being directly relevant to a teacher's curriculum and/or pastoral duties, shall receive the following service credit for salary purposes:
 - a. half credit for relevant work experience completed after the completion of a recognised and appropriate vocational qualification that is at least Level 5 on the National Qualifications Framework.
 - b. one third credit for relevant work experience completed after the completion of a recognised and appropriate vocational qualification that is at least Level 4 on the National Qualifications Framework.
 - c. one third credit to a maximum of two salary steps for relevant work experience where no vocational qualification at Level 4 or higher on the National Qualifications Framework was completed prior to that work.

8. **Childcare**

- 8.1. One third credit shall be given where a teacher resigns or takes leave from the New Zealand teaching service in order to care for her/his own children provided that the teacher was a registered teacher (or equivalent) at the time of resigning or taking leave, otherwise no credit will be given.

Note: *The one third credit shall apply to the total time away from teaching, excluding any periods for which salary credit is given under 5, 6 or 7 above.*

9. **Māori Language Trainees and Te Atākura Graduates**

- 9.1 Special service credit – recognition will be given on the basis of one year of salary service for each four years from the date the teacher completed compulsory schooling until entry to an initial teacher education course. Credit is to be given in completed years only. If the teacher has service which can be credited under another category or other categories of service, the total period concerned is to be deducted from the years to be divided by four. All periods of service, including portions of a year under other categories are to be credited for calculating the incremental date on appointment.

Note: *At the time of settlement no initial teacher education courses exist whose graduates will qualify for this entitlement.*

APPENDIX B: Medical Retirement – Serious Illness

(Where “notes” are used in this Appendix they are explanatory and not substantive.)

1.1 A teacher with a terminal illness may apply for medical retirement under either the terminal illness provision or the serious illness provision but not both and will be entitled to one payment only.

Note: This provision excludes any claim on disregarded sick leave.

1.2 The purpose of this provision is to:

- (a) Provide the opportunity for teachers, currently in service, who are declared medically unfit to retire from teaching with dignity;
- (b) Give the ability for boards to recruit the best possible teachers to vacant permanent positions without delay.

Note: This provision is for teachers currently in service and cannot be granted retrospectively. ‘Currently in service’ means the teacher is employed in a permanent position at the time the application for medical retirement is made and when concurrence is given by the Secretary for Education. For clarity this applies whether a teacher is currently on paid or unpaid sick leave.

1.3 (a) A permanently appointed teacher, currently in service, may be granted medical retirement under this clause in circumstances where the teacher has a serious illness which causes her/him to be incapable of continuing to work or returning to work.

Note: Serious illness includes serious injury. Stress is not considered to be a medical diagnosis and so any applications for concurrence on the basis of stress will be declined. However, the medical impact of stress may meet the criteria set out in this provision.

(b) A teacher is considered to be medically unfit for work by reason of serious illness if she/he is wholly or substantially unable to perform the duties of the position at the school and is unlikely currently or at any time in the foreseeable future to be able to undertake new employment in any other teaching position in the Education Service (as defined in section 2 of the State Sector Act 1988).

Note: An employee is not eligible for medical retirement where she/he is receiving weekly compensation from ACC.

(c) Either the employee or the employer may initiate the medical retirement process. The employer must have reasonable grounds to initiate the process.

Note: “Reasonable grounds” arise where the employee for a prolonged period is wholly or substantially unable to perform the duties of the position at the school due to medical reasons.

1.4 Employee Initiated Process

(a) If the employee initiates the process, the employee shall provide to the employer from a registered medical specialist in writing the following: a description of the employee’s illness, a statement as to whether or not the employee will be able to wholly or substantially perform her/his duties both currently and in the foreseeable future, and the reasons for the decision.

Note: There is no provision for an employer to request a second medical specialist certificate

(b) (i) If the employee is unable to obtain a registered medical specialist opinion in a timely fashion, or by virtue of distance, then the employee will undergo a medical examination from a registered general practitioner. The general practitioner shall provide in writing the following:

- a description of the employee’s illness, a statement as to whether or not the employee will be able to wholly or substantially perform her/his duties both currently and in the foreseeable future, and the reasons for the decision; and
- attestation that the employee could not obtain an opinion from a registered medical specialist.

(ii) The employer may require a further medical certificate from a registered general practitioner nominated by the employer.

- (iii) If two medical certificates are sought and the medical opinions conflict, the employee and employer shall attempt to agree on a third registered general practitioner or medical specialist to provide a further medical certificate. If they cannot agree, the employer shall nominate the registered general practitioner.
- (iv) All costs associated with the second and third medical certificates shall be met by the employer.

1.5 Employer Initiated Process

(a) Pre-process

Where the employer has reasonable grounds to consider that the employee may be medically unfit for work by reason of serious illness as per 1.3(b) the employer will in the first instance:

- (i) write to the employee outlining the concerns and the grounds on which it has formed a view that medical retirement may be an appropriate option;
- (ii) inform the employee she/he is entitled to attend up to three sessions from an employee assistance programme (EAP) and extend to the employee the opportunity to access EAP counselling;
- (iii) outline the medical retirement process should the employer proceed with the process; and
- (iv) inform the employee of his/her right to have a representative.

Note: Reasonable grounds is explained above. The Employee Assistance Programme provides to the employee direct access to an independent counsellor on a short term, confidential basis to address personal issues that impact on the workplace. Where the EAP provider recommends further sessions the employer shall consider whether to fund additional sessions.

Initiation of Process

(b) Registered Medical Specialist

Following the completion of the pre-process

- (i) Where the employer proceeds with the process, the employee shall undergo a medical examination from a registered medical specialist nominated by the employer.
Note: No concurrence will be given without the specified medical evidence being provided.
- (ii) The medical specialist shall provide in writing a description of the employee's illness, a statement as to whether or not the employee will be able to wholly or substantially perform her/his duties both currently and in the foreseeable future, and the reasons for the decision.
- (iii) The employee is entitled to seek a second medical specialist's opinion.
- (iv) Where two medical specialist opinions are sought and these medical opinions agree that the employee will not be able to wholly or substantially perform her/his duties both currently and in the foreseeable future, then the employer may seek concurrence to medically retire the employee.

(c) Registered General Practitioner

- (i) If the employer is unable to obtain a registered medical specialist opinion in a timely fashion, or by virtue of distance, then the employee will undergo a medical examination from a registered general practitioner nominated by the employer (or two general practitioners if the employee so wishes, one nominated by the employer and the other by the employee). The general practitioner(s) shall provide in writing the following:
 - a description of the employee's illness, a statement as to whether or not the employee will be able to wholly or substantially perform her/his duties both currently and in the foreseeable future, and the reasons for the decision; and
 - attestation that the employee could not obtain an opinion from a registered medical specialist.

- (ii) Where two medical opinions from a general practitioner are sought and these medical opinions conflict, the employee and employer shall attempt to agree on a third registered general practitioner to provide a further medical certificate. If they cannot agree, the employer shall nominate the registered general practitioner.

(d) **Costs associated with examinations**

All costs associated with the medical examination(s) and the employee assistance programme shall be met by the employer.

1.6 Where the majority of medical evidence does not support a claim for medical retirement under this provision this process shall cease.

Note: *The intention of this clause is to bring an end to this process.*

1.7 Seeking Concurrence

(a) Where the majority of medical evidence supports the application for medical retirement as per 1.3(b), the employer shall seek the concurrence of the Secretary for Education to medically retire the employee.

(b) All applications for concurrence must be in writing and accompanied by the correct documentation.

Note: *Applications for concurrence for medical retirement will be granted where the following criteria have been met:*

1: *The process has been followed; and*

2: *The medical evidence has been supplied in sufficient detail so as to support the application for medical retirement as specified in 1.3(b).*

1.8 Medical Retirement Options

Upon receiving notification that the Secretary for Education has granted concurrence, the employer shall notify the employee that she/he is medically retired as of the date of the Secretary's notification. No notice is payable. The employee shall be medically retired and choose one of the following medical retirement options:

Note: *The employee is not entitled to change options once the option has been actioned. Disregarded sick leave is not able to be converted to a payment under any of the provisions of medical retirement*

(a) **Medical Retirement Payment**

A lump sum payment of 13 weeks salary plus an additional week for each year of service after 25 years service, up to a maximum of 13 weeks (i.e. the total maximum payment payable under this provision is 26 weeks). Any paid sick leave taken by the employee in the four weeks prior to the application to medically retire shall be subtracted from the payment.

Note: *Payment will be based on the normal fortnightly salary of the employee at the time of medical retirement. It does not attract any salary increment that may fall due after the date of medical retirement. Holiday pay to the date of medical retirement is payable. The lump sum does not attract holiday pay. 26 weeks equals 13 weeks payment plus up to 13 weeks payment for each year of service after 25 years.*

(b) **Post-dated medical retirement**

The employee remains on paid sick leave and receives his/her normal fortnightly salary until the sick leave entitlement is exhausted. All entitlements continue to be paid. In the event that the employee deceases before sick leave is exhausted no claim can be made by any person or agency on the outstanding balance. The employee remains employed for the purpose of payment of salary only.

Note: The employee is entitled to continue to receive superannuation employer contributions, and salary increases as per the Secondary Teachers' Collective Agreement. Should a new Secondary Teachers' Collective Agreement be settled after the employee's sick leave entitlement is exhausted, no back payment of any negotiated increases shall apply. The employee is not entitled to increment up the salary scale where she/he has not met the professional standards. Holiday pay will accrue during this period in accordance with the Secondary Teachers' Collective Agreement provisions. Where an employee elects post-dated medical retirement she/he will continue to be paid sick leave until it is exhausted.

(c) **Receive remaining sick leave as a single payment**

The employee will receive the remainder of his/her sick leave as a lump-sum payment.

Note: For the sake of completeness please note that all payments are subject to normal tax provisions.

Note: The employee can cash up the outstanding sick leave balance as at the final day of employment.

1.9 Vacant Position Appointment

From the date the Secretary for Education gives notification of concurrence to medical retirement, regardless of the option chosen by the employee under 1.8, the employer shall be entitled to make a permanent appointment to the position as if that position were vacant.

Note: This position shall be advertised in the Education Gazette as an actual vacancy position. The Teaching Council will be notified by the employer that the employee has been medically retired.

1.10 Eligibility for Compassionate Grant

A compassionate grant as per clause 4.17 is payable to the estate of an employee who deceases within 12 months of the date medical retirement is approved under this provision (for the sake of clarity this date is from the date of retirement as per 1.8) except that if the amount of sick leave remaining under option 1.8(b) exceeds 12 months, the entitlement to the compassionate grant shall remain until the sick leave has been exhausted.

Note: Regardless of which entitlement is activated under this scheme, the date of medical retirement is the date the Secretary for Education granted concurrence.

1.11 Re-entry policy

It is not contemplated that when an employee is medically retired from the teaching profession that she/he will return to work as an employee in the future. It is however acknowledged that in exceptional circumstances an employee may become medically fit to work in the teaching service. Where an employee who has been medically retired under any clause set out in this provision is declared medically fit by a registered medical specialist and is reemployed in any teaching position in the Education Service (as defined in section 2 of the State Sector Act) the following shall apply:

- (a) The employee shall be entitled to sick leave in accordance with the provisions of the Holidays Act 2003 and not the provisions in the Secondary Teachers' Collective Agreement.
- (b) Where employment in any teaching position in the Education Service (as defined in section 2 of the State Sector Act) commences within a number of weeks which is less than the number of weeks of payment received by the employee under 1.8(a) the employee shall refund the difference between the number of weeks for which she/he was without employment and the number of weeks for which the payment was calculated.
- (c) An employee cannot be medically retired twice for serious illness.

APPENDIX C: Removal Expenses

1.1 Travel Expenses

- 1.1.1 The following travel expenses are refundable:
- (a) Taxi fares to and from transport;
 - (b) Cost of meals en route;
 - (c) Cost of overnight board if stopover unavoidable;
 - (d) When travelling by own transport, payment of motor vehicle allowance rates as follows:
Motorcar-62 cents per kilometre
Motorcycle-20 cents per kilometre.
 - (e) Equivalent surface fare for driving a second car or motorcycle which is part of the household effects to the new location provided that the fare would otherwise have been paid under this agreement.

1.2 Accommodation Expenses

- 1.2.1 Accommodation expenses shall be paid for the accommodation of a teacher and any dependants from the time of moving from the former location until permanent accommodation is obtained in the new location.
- 1.2.2 When moving personal expenses are allowable to cover meals, accommodation, and such other expenses as the employer may approve, for the teacher and any dependants as follows:
- (a) From the commencement of the journey, up to two days if necessary;
 - (b) On arrival at destination, up to seven days if necessary.
- 1.2.3 When dependants are boarding
When approval has been given for a teacher and any dependants to board either together or in different localities, and a home is no longer being maintained at the former location, assistance may be granted in accordance with the following provisions:
- (a) In the first instance, a refund of personal expenses as set out in 1.2.2 above;
 - (b) At the expiration of this period, an accommodation allowance of the amount by which actual and reasonable board and lodging expenses exceed 45% of gross remuneration. "Gross remuneration" means classified salary plus any allowance in the nature of salary. This is calculated on the consecutive day basis;
 - (c) If the teacher and any dependants stay at a motel and they purchase and prepare food, a rent subsidy may be paid. When meals must be taken in a restaurant, payment of the amount by which the total of rent and meals exceeds 45% of gross salary may be paid. The total cost is not to exceed scale relieving allowance rate.
- 1.2.4 When Maintaining Home at Former Location
A teacher on transfer who is required to maintain the home and any dependants at the former location until suitable housing is obtained in the new location, shall be granted an accommodation allowance as follows:
- (a) For the first month, up to a maximum of the rate of \$55.29;
 - (b) For the second month, up to a maximum of two thirds of the rate of \$55.29;
 - (c) For the third month, up to a maximum of one third of the rate of the \$55.29;
 - (d) Teachers staying at a motel and preparing their own meals may be paid an assessed amount for food not exceeding one quarter of the scale relieving allowance rate, plus motel charges. The total cost is not to exceed \$55.29;
 - (e) The incidentals allowance shall also be paid to cover incidental expenses not otherwise recoverable. The allowances commence on and from the day the teacher arrives at the new location;
 - (f) When the teacher finally obtains suitable accommodation in the new location and any dependants then move, the assistance set out in clause 1.2.2 is granted.

1.2.5 Rent Subsidy

- (a) Assistance with rental accommodation may be considered on the merits of each case if a teacher on transfer is experiencing difficulty in finding permanent housing.
- (b) The subsidy will be granted only in respect of a short-term tenancy at a rental which is higher than the teacher could normally be expected to afford. The amount of the subsidy will be the excess of the rental over one-sixth of the teacher's gross salary. The period of subsidy is limited to three months. In exceptional cases the Secretary for Education may approve an extension to six months.
- (c) Furniture storage charges may be met while the teacher is on a rent subsidy.

1.2.6 Outgoings on Former Home

- (a) If the teacher and any dependants are occupying temporary accommodation at the new location (and the teacher receives a rent subsidy), pending the sale of the former home and the purchase of another, then interest, rates and insurance on the former home shall be taken into account while it remains unsold and unoccupied. In these circumstances, the outgoings on the teacher's house may be added to the rent of the temporary house, and the subsidy calculated on the combined total. Only mortgage interest may be included, not principal repayments, and this will usually require inquiry, as outgoings quoted by claimants almost always include instalments of principal.
- (b) If a teacher is required to rent a house at the new location before liability for rent at the previous location has ceased, resulting in the payment of double rent, a rent subsidy equal to the lower of the two rents may be paid.

1.3 Furniture Removal

- 1.3.1 Packing, transporting and unpacking of the teacher's household effects will be undertaken by a provider contracted to the Ministry for the transfer of teachers' effects and transit insurance.

1.4 Amount of Refund

- 1.4.1 Where a teacher qualifies for an accommodation allowance or rent subsidy, this will include the provision of storage. Reimbursement will be made for the cost of inter-island transport and marine insurance for up to two vehicles and one towed vehicle.

1.5 Reserved

1.6 Legal Fees and Land Agent's Commission

- 1.6.1 Teachers with an entitlement to removal expenses shall be reimbursed for legal fees and land agent's commission provided that when a teacher sells a house at the former location and buys another at the new location within two years of the date of the new appointment, or sells at the former location and builds and takes occupation of a house at the new location within two years of the date of the new appointment, actual aggregated expenses for legal fees and land agent's commission combined up to \$11,000 maximum shall be paid.

- (a) Legal fees

The refund of legal fees shall be either:

- (i) when a teacher sells a house at the former location within two years of the date of the new appointment, but does not buy another, actual expenses up to \$950; or
- (ii) when a teacher buys or builds a house at the new location within two years of the date of the new appointment without having sold a house at the former location, provided it is not the first time the teacher has owned a house, actual expenses up to \$4,000 maximum.

- (b) Land agent's commission

When a teacher sells a house at the former location within two years of the date of the new appointment but does not purchase or build another house at the new location within the two year period, actual expenses up to \$6,300.

- (c) Two year limitation
Normally all transactions (selling, buying or building) must be completed within two years of the date of transfer to qualify for a refund of expenses.
- (d) Sale of home prior to appointment in another position
Where teachers anticipate securing a position where full removal expenses are payable, and sell their home before this actually occurs the teacher will be eligible for a refund of legal and land agent's fees. This is subject to a two year limitation period as in clause 1.6.1(c) above commencing from the date of the sale of the house. The refund of land agent's and legal fees will not be made until and unless the teacher wins and takes up another position.
- (e) Purchase and sale of land
A refund of legal fees and land agent's commission will be made as follows:
 - (i) When a teacher has previously owned a house or land and purchases land following transfer to another locality with the intention of building a house for the teacher's own use and transfers again before the house is built, assistance is granted towards the cost of legal expenses and land agent's commission in the purchase and sale of the land up to \$3,800.
 - (ii) When a house or land has not been owned previously and a teacher subsequently purchases land at one locality and transfers again before building, assistance will be granted towards the cost of legal expenses up to \$500 and land agent's commission up to \$2,000 in the sale of the land as follows:

Note:

 - (1) *Sale of land in a previous locality must be effected within two years of transferring to a new location.*
 - (2) *Purchase of land must have been effected not more than two years after the previous transfer and not more than two years before the subsequent transfer.*
- (f) Advertising costs of \$630 when selling at former location without the services of a land agent.

1.7 Penalty Mortgage Repayment Charges

- 1.7.1 Penalty charges which may arise because of the termination of a mortgage before the completion of the term of the loan will be refunded up to a maximum of \$2400.

1.8 Transfer Grant

- 1.8.1 A teacher who is entitled to removal expenses and required to shift household shall be paid a transfer grant of:
 - (a) \$1,000 where a teacher:
 - (i) purchases own accommodation; or
 - (ii) moves into pool housing; or
 - (iii) rents or leases private accommodation.
 - (b) \$300 for each child who is attending a state or integrated school prior to the date of transfer, who attends another state or integrated school after the transfer and for whom a different uniform is required to be purchased (in terms of the new school's policy) because of the change of school.

1.9 Leave to Remove Dependants and Effects

- 1.9.1 The following provisions apply when a teacher has left dependants at the former location pending the finding of suitable housing:
 - (a) Special leave on pay may be granted by the Secretary for Education to permit the teacher to return to the former centre to assist with the transfer of dependants and effects.
 - (b) A refund of actual and reasonable expenses may be approved.

1.10 Payment of Expenses to Visit Prospective Accommodation

1.10.1 A teacher may claim expenses in connection with a visit to inspect prospective accommodation.

1.11 Telephone Reconnection Charges

1.11.1 Telephone reconnection charges for one installation shall be refunded when a teacher has transferred and is eligible for transfer expenses.

Note: Receipts should be produced when claiming removal expenses.

Note: These provisions shall be applied in accordance with any administrative conditions that were in effect at the commencement of this Agreement or modifications made to the administrative conditions made as a result of this Agreement. Nothing in these provisions shall be read as extending any entitlement beyond that which existed at the commencement of this Agreement except as may be expressly agreed to by the Secretary for Education after consultation with the Association.

APPENDIX E: Leave Calculation

1.1 Commencing and Finishing Dates

- 1.1.1 Leave commences on the first school day of absence and finishes on the last day of absence except as provided in 1.2 and 1.4 below.

1.2 Leave at the Start of the School Year

- 1.2.1 In some years schools may recommence after the Christmas vacation on a date later than 28 January. Teachers who are prevented from attending school when the school recommences have leave debited only for the actual days of absence. However, applications for longer periods of leave should be granted with effect from 28 January. Teachers who do not commence duty until after the first school day (as opposed to those on approved special leave) are paid only from the day they actually commence duty.

1.3 Weekends and Public Holidays

- 1.3.1 The methods of calculating leave are as follows:
- (a) When the period of absence does not exceed five consecutive school days in two weeks, the intervening Saturday and Sunday and any public holiday(s) do not count as leave.
Example:
 - (i) A teacher absent Thursday to the following Wednesday, leave = five days.
 - (ii) A teacher absent Tuesday before Easter to Wednesday after Easter (Easter period, five days intervene), leave = four days.
 - (b) When the period of absence exceeds five consecutive school days, all intervening weekends and public holidays count as leave. For special provisions regarding sick leave see 1.5 below.
Note: *The provisions of (a) and (b) apply whether leave is with pay, without pay, a combination of both or a combination of different types of leave absence.*

1.4 Vacations

- 1.4.1 Where leave without pay in excess of five consecutive school days ends on a Friday and a vacation commences on the following Monday the intervening weekend counts as leave without pay.
- 1.4.2 Term vacations do not count as leave except as specified in 1.2 above. Example:
- (a) A teacher absent Friday before vacation and Monday after vacation – the leave is two days;
 - (b) A teacher absent Tuesday to Friday before vacation and Monday to Thursday after vacation – the leave is ten days as the weekend before the vacation is counted as leave.

1.5 Special Provisions for Sick Leave

- 1.5.1 As public holidays do not count as leave for sickness or injury, the following method of calculation is used:
- (a) Leave with pay – public holidays occurring during sick leave with pay ignored whether the leave exceeds five school days or not, but this exemption does not cover any intervening weekend. Example: A teacher absent from Tuesday before Easter until Friday inclusive after Easter – the leave is eight days as the weekend is counted as leave while Good Friday, the Monday and the Tuesday after Easter are holidays which are excluded from leave.
 - (b) Leave without pay – the provision covering public holidays to periods of sick leave with pay has been extended to sick leave without pay as follows:
 - (i) Sick leave without pay does not exceed five consecutive school days in two weeks: The provisions of 1.3 above apply.

- (ii) All other sick leave without pay: The teacher does not receive salary for isolated days because they are public holidays.
- (iii) Holiday pay: Except as in (iv) below public holidays are not to be included when assessing the deductions from holiday pay on account of sick leave without pay; for example:
- A teacher absent for five weeks of term 4 (35 days).
 - No salary payable for those 35 days.
 - Deduction of public holiday (Labour Day) 1 day = 34 days.
 - $34 \text{ days} \times 0.3 = 10.2 \text{ days} = 10 \text{ days}$.
- (iv) Where the period of absence is sufficient to cancel all holiday salary for the school year, public holidays do not establish a claim for some holiday pay. (There are eight days recognised as public holidays each year and these could create a claim for two days' holiday pay.)

APPENDIX F: Resource Teachers Learning and Behaviour (RTLB)

1.1 The following provisions shall apply to RTLB in regard to the 2011 reorganisation of the RTLB Service to deal with the formation of new clustering arrangements and to provide an orderly process to retain employment opportunities.

For the purpose of the clauses below:

- (a) A 'lead school employer' is a school in a new or transformed cluster which has taken on the role of employing all RTLB within the new cluster.
- (b) A 'ceasing school employer' is a school that is ceasing to receive cluster resourcing for the RTLB they currently employ and which is therefore disestablishing existing RTLB positions.

1.2 When the new lead school employer is identified, and where it is not the current employing school, the ceasing school employer shall write to each RTLB it employs giving notice of disestablishment of her/his position from 27 January 2012.

1.3 Concurrently the new lead school employer will write to all permanent RTLB in ceasing employing schools in the transformed cluster and offer her/him an equivalent¹ RTLB position in the transformed cluster.

1.4 Where an RTLB accepts the offer from the lead school employer s/he shall be appointed to that position, subject to the provisions below.

RTLB who accept a position with a new lead school employer shall:

- (a) Transfer on to a base salary step no less than currently received.
- (b) Retain additional permanent unit(s) and/or management allowances allocated by the current employer under clauses 4.3 and 4.3A of the STCA for one year from the date of commencement with the new employer whilst the RTLB continues to hold an RTLB position in the new cluster.
- (c) Retain additional fixed term unit(s) and/or management allowances allocated by the current employer under clauses 4.3 and 4.3A of the STCA for the lesser of the term of the appointment agreed or for a maximum of one year whilst the RTLB continues to hold an RTLB position in the new cluster.
- (d) Retain payments made under the High Priority Teacher Supply Allowance (clause 4.13) or the Staffing Incentive Allowance (clause 4.12) as long as they continue to be located in the school which attracts such allowances.
- (e) Retain continuous service for leave purposes.

1.5 (a) Permanent RTLB who decline the offer of employment from the lead school employer shall be deemed to be in disestablished positions and the normal surplus staffing entitlements in 3.9.4 shall apply except that, for the avoidance of doubt, the parties agree that;
(i) those provisions pertaining to school mergers or closures shall not apply, and;
(ii) 3.9.2(e) does not apply.
(b) The requirements relating to the refund of severance payments in clause 3.9.4(3)(f) and 3.9.4(4)(d) shall apply to RTLB taking up fixed term employment as well as permanent employment.

¹ Equivalent Position

An 'equivalent position' is a position that is:

- generally similar in role, duties and status; **and**
- requires similar qualifications, training, skills and experience but may have a different title/or unit allocation; **and**
- is in the same general locality; **and**
- is on terms and conditions of employment that are no less favourable than those that applied to the employee immediately before the offer of employment.

- 1.6 RTLB shall notify their ceasing employer and the new lead school employer of their decision to accept or decline the new position no later than 21 November 2011 and, if they decline it, which option they have chosen no later than 27 January 2012.
- 1.7 Any position remaining unfilled after this process will be part of a normal appointment process (clause 3.2 of this Agreement refers).
- 1.8 RTLB who are or who become housed in host schools which attract the HPTSA or the staffing incentive allowance, shall also be entitled to such allowances, provided that these allowances are not payable in respect of both the lead and host school.
- 1.9 For the purposes of this variation those RTLB employed in a fixed term position which will extend beyond 28 January 2012 will be offered employment to an equivalent RTLB position with the new lead employer for a fixed term corresponding with the remaining period of their original fixed term position.
